**Strategy in the Contemporary World** John Baylis,2007 Provides a coverage of issues of war and peace such as terrorism irregular warfare and weapons of mass destruction This work contains a set of reflections on the role of military power in the contemporary world It analyzes conflicts from Afghanistan to the Iraq War and looks at the debates about the lessons that can be learned from these wars

**Chinese Culture and Contemporary Military Strategy** Yum C\_W.,2000 White Paper on Defense Robert Taft (Jr.),1976

**Ethics and Military Strategy in the 21st Century** George Lucas, Jr.,2019-07-10 This book examines the importance of military ethics in the formulation and conduct of contemporary military strategy Clausewitz s original analysis of war relegated ethics to the side lines in favor of political realism interpreting the proper use of military power solely to further the political goals of the state whatever those may be This book demonstrates how such single minded focus no longer suffices to secure the interest of states for whom the nature of warfare has evolved to favor strategies that hold combatants themselves to the highest moral and professional standards in their conduct of hostilities Waging war has thus been transformed in a manner that moves beyond Clausewitz s original conception rendering political success wholly dependent upon the cultivation and exercise of discerning moral judgment by strategists and combatants in the field This book utilizes a number of perspectives and case studies to demonstrate how ethics now plays a central role in strategy in modern armed conflict This book will be of much interest to students of just war ethics military strategy and international relations
