Strategic Management Communication For Leaders 3rd Edition

William C. Sharbrough

Strategic Management Communication For Leaders 3rd Edition:

Strategic Management Communication for Leaders 5e Robyn Walker, 2024-08-21 Strategic Management Communication for Leaders offers a unique approach to business communication that highlights communication as a practice that is applicable to all business situations regardless of the discipline department or organizational level at which it takes place Unlike many other business communication texts it looks at communication not only as the practice of individuals but also in an organizational context This book makes a clear distinction between strategic and tactical elements of communication Because strategic issues are more difficult to understand and internalize as such they are treated in an in depth manner before providing the discussion of tactics as they apply to differing contexts and channels of communication Internalizing the strategic considerations will enable readers to logically make appropriate tactical choices without having to set them all to memory

Strategic Management Communication for Leaders Robyn Walker, 2014-01-01 Succeed in the business world and this course with STRATEGIC MANAGEMENT COMMUNICATION Easy to read and concise this text includes numerous exercises so you can test your understanding of key concepts and principles Critical Thinking and Responsible Communication boxes are just a few of the tools integrated throughout the text to will help you master the material and succeed in the business communications course Important Notice Media content referenced within the product description or the product text may not be available in the ebook version

Communicating to Lead and Motivate William C. Sharbrough, 2017-09-11 Effective leaders lead by communicating It is through communication that leadership is enacted as leaders influence followers to behave in ways that achieve the leader s and the organization s goals This book applies leadership theory and research to communication in ways that are easily understood and can be applied to any situation where individuals find themselves in a leadership position in an organization whether as a front line or top level leader The book begins with a basic explanation of the leadership process and how leaders express their vision It then looks at how leaders can create positive relationships with followers that pay off in effective performance Next the book investigates how leaders motivate their followers by creating follower self efficacy trust and valued rewards Then the focus changes to the specific types of messages a leader can use to motivate followers Leading is about change so the book next looks at ways effective leaders communicate in leading change in organizations and at how the changing workforce is effecting how effective leaders communicate with the new workforce

The Strategic Communication Imperative James Mahoney, 2021-12-30 This book proposes a model for directly aligning strategic communication with organisational business planning to enable effective management of mid to long term organisational issues It argues that current conceptualisations of strategic communication need to be extended to locate it more precisely within definitions of strategy and as an essential element of mid and long term business planning This approach re positions strategic issues communication in a professional practice dimension that has a specific focus on issues that do not immediately impact on an organisation s ability to achieve

its day to day business goals Full of contemporary examples from business and including a thorough explanation of how the model can be applied in professional practice the book will prove illuminating reading for scholars students and professionals alike

Theory and Practice of Leadership Roger Gill,2006-02-08 Theory and Practice of Leadership provides a comprehensive and critical review of the major theories of leadership and clearly lays out a more holistic understanding of leadership that integrates the disparate approaches and theories Throughout the book Roger Gill uses illustrative examples and cases drawn from research and practice in the UK mainland Europe and the USA as well as Asia and elsewhere enabling students to better relate the theories to real cases and their own experience A clear picture of leadership theory and leadership development is set out through accessible language and a focus on bridging the gap between theory and practice
