mirrors but we still burn with the same passion as our scooter riding ancestors It s over sixty years since the first Italian scooters rolled off the production lines but there is still a buzzing and vibrant lifestyle surrounding them The small capacity machines have overtaken the lives of thousands of us often to the detriment of everything else we hold dear Careers relationships and families have suffered for this overwhelming and expensive addiction An addiction to which there is no cure We live and breathe the sickly sweet smell of synthetic two stroke oil and worship at the altar of our chosen gods Lambretta and Vespa or occasionally Gilera and Italjet Our hands are permanently ingrained with the oily tattoo s of a thousand engine rebuilds and our major organs have suffered the long term effects of our hedonistic lifestyle Including interviews with well known scootering personalities over 150 colour photographs of award winning custom scooters best selling scooter models and information on rallies and events this book is a must have for anyone interested in these fun machines *Vincent Motorcycles* Philippe Guyony,2021-10-28 Very few motorcycles have carved a mark in history like the Vincent V twin from its arrival in 1946 and up to the present day On the road in club racing in drag races or competing for land speed records it dominated the motorcycle world leading to the famous catchphrase coined by the factory The World s Fastest Standard Motorcycle It was a FACT NOT a slogan Images such as that of Rollie Free in swimming trunks laying flat on his works modified Black Shadow and taking the American motorcycle land speed record at Bonneville in 1948 have now passed into posterity In fact the big Vincent was so ahead of its time that it continued to compete successfully almost arrogantly in racing until the mid 1970s against modern bikes No other motorcycle in the world can claim this kind of achievement Following the premature ending of Vincent production Fritz Egli s 1967 Egli Vincent was the first chassis completely redesigned for a Vincent in 21 years Egli s machine inspired numerous builders for several generations and this book traces holistically the story of all those motorcycles in the broad context of the classic and modern history of the Vincent Understand how the flame of passion still burns brightly today **Buying Guide 2008** Consumer Reports,2007-11-13 **Cars & Parts** ,1993 **AAA Auto Guide** Jim MacPherson,1955 AAA helps you pick the best new car for your needs with this comprehensive 2004 vehicle buyer s guide Evaluate more than 200 cars SUVs trucks and vans with this one convenient volume Book jacket
