The questions in this book are similar to the ones asked in the actual Test

How should we know We know because although we have been working as SAP Consultants for many years We have recently certified with the latest version of the Development Certification test

Before you start here are some Key features of the Development Certification Exam

This certification test verifies the knowledge in the area of the SAP PI for the consultant profile of an Development Associate

This certificate builds on the basic knowledge gained by a consultant and preferably refined by practical experience within a project team and the consultant can implement this knowledge of the specialist areas practically in projects

The exam is Computer based and you have three Hours to answer 80 Questions

The Questions are mostly multiple choice type and there is NO penalty for an incorrect answer

Some of the Questions have more than one correct answer

You must get ALL the options correct for you to be awarded points

For questions with a single answer the answers will have a button next to them

You will be able to select only one button

For questions with multiple answers the answers will have a tick box next to them

This allows you to select multiple answers

You are not allowed to use any reference materials during the certification test

no access to online documentation or to any SAP system

Clearing the Certification will not automatically lead you to a job

However a Certification with some project experience will certainly open a lot of doors for you

So if you have little or no experience you should get yourself certified

get some project experience and then the whole of the SAP World open for you to explore

Helping you with the first step on your ladder to success is this book. Some UNIQUE features of this Book: There is NO Other material in the market for the SAP Certified Development Associate Process Integration with SAP NetWeaver PI 7.3.
