Notable Americans of Czechoslovak Ancestry in Arts and Letters and in Education Miloslav Rechcigl Jr.,2021-11-02 As pointed out in my last two publications no comprehensive study has been undertaken about the American Learned Men and Women with Czechoslovak roots The aim of this work is to correct this glaring deficiency with the focus on immigration from the period of mass migration and beyond irrespective whether they were born in their European ancestral homes or whether they have descended from them Whereas in the two mentioned monographs the emphasis has been on scholars and social and natural scientists and men and women in medicine applied sciences and engineering respectively the present compendium deals with notable Americans of Czechoslovak ancestry in arts and letters and in education With respect to women although most professional fields were closed to them through much of the nineteenth century the area of arts and letters was opened to them as noted earlier and as this compendium authenticates **Focus On: 100 Most Popular 2010s Adventure Films** Wikipedia contributors, **Holocaust Cinema Complete** Rich Brownstein,2021-09-17 Holocaust movies have become an important segment of world cinema and the de facto Holocaust education for many One quarter of all American produced Holocaust related feature films have won or been nominated for at least one Oscar In fact from 1945 through 1991 half of all American Holocaust features were nominated Yet most Holocaust movies have fallen through the cracks and few have been commercially successful This book explores these trends and many others with a comprehensive guide to hundreds of films and made for television movies From Anne Frank to Schindler s List to Jojo Rabbit more than 400 films are examined from a range of perspectives historical chronological thematic sociological geographical and individual The filmmakers are contextualized including Charlie Chaplin Sidney Lumet Steven Spielberg Quentin Tarantino and Roman Polanski Recommendations and reviews of the 50 best Holocaust films are included along with an educational guide a detailed listing of all films covered and a four part index glossary The Plot Against Hip Hop Nelson George,2011-11-01 A wickedly entertaining crime thriller from a renowned chronicler of the world of rap music Kirkus Reviews Finalist for the NAACP Image Award in Literature The stabbing murder of esteemed music critic Dwayne Robinson in a Soho office building has been dismissed by the NYPD as a gang initiation But his old friend bodyguard and security expert D Hunter suspects there are larger forces at work D Hunter s investigation into his mentor s murder leads into a parallel history of hip hop a place where renegade government agents behind the scenes power brokers and paranoid journalists know a truth that only a few hardcore fans suspect This rewrite of hip hop history mixes real life figures with characters pulled from the culture s hidden world including Jay Z Kanye West and Russell Simmons This hard boiled tale is jazzed up with authentic street slang and name dropping Biggie Mary J Blige Lil Wayne and Chuck D George s tightly packaged mystery pivots on a believable conspiracy and his street cred shines in his descriptions of Harlem and Brownsville s mean streets Library Journal George is a well known respected hip hop chronicler Now he adds crime fiction to his resume with a carefully plotted crime novel

peopled by believable characters and real life hip hop personalities Booklist Reads almost like Thomas Pynchon's *Inherent Vice* but in the world of rap music If you love crime fiction and you love hip hop this book is a must read BookRiot Part procedural murder mystery part conspiracy theory manifesto The writing is as New York as Empire State of Mind and D is a detective compelling enough to anchor a series Time Out New York [Family Ties: How a Ukrainian Nazi and a living witness link Canada to Ukraine today](#) PETER MCFARLANE,2024-09-16 The standing ovation accorded in 2023 to a Second World War Ukrainian Nazi unit veteran in Canada's House of Commons shocked Canadians and the world Author Peter McFarlane was not surprised He had already spent three years learning about two people Mikael Chomiak and Ann Charney whose parallel lives during and after that war highlight the complex and disturbing story of Ukraine and Canada's post war Ukrainian Canadian community Ann Charney was two years old when she and her Jewish mother evaded their certain death by hiding out in a hayloft in the Ukrainian countryside Ann spent two long years in that attic She and her mother survived the war and ultimately made their way to Montreal There Ann has had a brilliant career as a novelist and journalist Mikael Chomiak spent the war working for the German SS as the editor of an influential Ukrainian newspaper celebrating Hitler and promoting antisemitism He and his family were easily accepted as postwar immigrants to Canada settling in Alberta There he continued his work as a writer and editor avoiding public expressions of his antisemitic views or his wartime record In this book Peter McFarlane tells the stories of these two during the war and afterwards He brings their stories up to date through research in Ukraine today When he visits Chomiak's relatives in Ukraine he finds the themes of ethnic hatred and antisemitism strongly in play today in public support for the war with Russia Canadian descendants of pro Nazi Ukrainians often do not acknowledge this connection of past to present Mikael Chomiak's granddaughter Chrystia Freeland has a lead role in government as a senior federal cabinet minister Like many others she remains in denial about her grandfather's role promoting the Nazis policies and the Holocaust in Ukraine Visiting Ann Charney's home town of Brody Peter McFarlane finds that the local history museum celebrating Ukrainian Nazi soldiers while saying nothing about their Holocaust role executing the town's 10 000 Jewish residents including all of Ann's family and relatives This book provides context and background for understanding the complex dynamics behind the war between Ukraine and Russia and Canada's role in that conflict
