Adult Development and Aging Susan Krauss Whitbourne, Stacey B. Whitbourne, 2016-10-24 **Adult Development and Aging** Susan K. Whitbourne, Stacey B. Whitbourne, Candace Konnert, 2021-03-29 The new edition of the leading textbook on the biopsychosocial processes of aging in adults fully revised and updated **Adult Development and Aging Second Canadian Edition** helps student readers understand the aging process both in themselves and in those around them Approaching the subject from the biopsychosocial perspective an innovative model of adult development that takes into account the influences and interactions of complex biological psychological and social processes the authors explore the latest concepts and applications in this exciting academic discipline Based on Susan Whitbourne's classroom experience teaching her Psychology of Aging course this engaging textbook integrates current research real world data detailed explanations and relatable examples to provide a balanced and accessible examination of the subject This important work is an invaluable source of topically relevant information for traditional college age learners and mature returning students alike as well as for instructors and academic researchers in areas of adult aging and lifespan development [The ^AOxford Handbook of Emotion, Social Cognition, and Problem Solving in Adulthood](#) Paul Verhaeghen, Christopher Hertzog, 2016-03-09 The Oxford Handbook of Emotion Social Cognition and Problem Solving in Adulthood provides the first overview of a new field of adult development that has emerged out of conceptualizations and research at the intersections between socioemotional development social cognition emotion coping and everyday problem solving **Adult Development and Aging** Susan K. Whitbourne, Stacey B. Whitbourne, 2019-01-07 Newly updated **Adult Development and Aging Biopsychosocial Perspectives 6th Edition** incorporates material that the authors Susan Krauss Whitbourne and Stacey B Whitbourne believe is essential to students understanding this rapidly developing and fascinating field of study This text focuses on three key themes a multidisciplinary approach positive images of aging and the newest and most relevant research Much of what students will read comes directly from Susan's classroom teaching of the Psychology of Aging course she continues to incorporate her day to day teaching of the course into the text which keeps the material current fresh and engaging [Web Accessibility](#) Yeliz Yesilada, Simon Harper, 2019-06-03 New and fully updated to cover the last 10 years of accessibility research published since the first edition this book covers key areas of evaluation and methodology client side applications specialist and novel technologies along with initial appraisals of disabilities It provides comprehensive coverage of Web accessibility research Building on the first this second edition places more focus on Mobile Web technologies Web applications the Internet of Things and future developments where the Web as we know it is blending into infrastructure and where Web based interface design has become predominant Written by leading experts in the field it provides an overview of existing research and also looks at future developments providing a much deeper insight than can be obtained through existing research libraries aggregations or search engines In tackling the subject from a research rather than a practitioner standpoint scientists

engineers and postgraduate students will find a definitive and foundational text that includes field overviews references issues new research problems and solutions and opinions from industrial experts and renowned academics from leading international institutions including W3C Google IBM and CMU Colorado and Lisbon Universities

Economic Foundations for Creative Ageing Policy Andrzej Klimczuk,2015-08-12 Ageing populations are a major consideration for socio economic development in the early twenty first century This demographic change is mainly seen as a threat rather than as an opportunity to improve the quality of human life especially in Europe where ageing has resulted in a reduction in economic competitiveness Economic Foundations for Creative Ageing Policy mixes the silver economy the creative economy and the social economy to construct positive solutions for an ageing population Klimczuk covers theoretical analyses and case study descriptions of good practices to suggest strategies that could be internationally popularized
