Guillaume Favre

Balefire:

Balefire Star Black, 1999 In swift ruminations Star Black traces the hesitant silences that fall between desire and restraint Balefire the book's title alludes to a signal fire seen from a distance **Balefire** Kenneth William Goddard, Ken Goddard, 1984 Huntington Beach is a quiet haven that has become the scene of a series of brutal unexplained killings that have stunned the local citizens and confused and angered the police because the killings are aimed at them Because the murders aren't locals and it's not just one little town that's at stake but the security and peace of an entire nation

Legendary Locals of Huntington Beach Chris Epting, 2015-03-02 For over 100 years Huntington Beach aka Surf City USA has come to represent the true beach culture of Southern California Originally called Pacific City it was when railroad magnate Henry Huntington first ran his train line down in 1904 from Los Angeles approximately 40 miles north that the then quaint beach town took on the name that made it famous around the state and around the world In 1914 the legendary George Freeth put on a surfing exhibition the day the city's vaunted concrete pier was opened which christened Huntington Beach as a soon to be surfing mecca It became a boomtown after oil was discovered in 1920 and several decades later morphed once again into a cradle of aerospace engineering when companies such as Boeing arrived Throughout its tumultuous and dramatic history Huntington Beach has always boasted a cast of colorful and profound characters From the first mayor Ed Manning to Medal of Honor recipient Chris Carr from the Zamboni family who invented the ice cleaning machine to baseball star Jeff Kent the list is almost endless But it is not just professional athletes actors and rock stars it is the teachers crossing guards merchants and activists that give Huntington Beach its well earned reputation as one of the most interesting and charismatic cities in the state *Nothing Gold Can Stay* Mary J. Carter, 2023-10-02 On the northern edge of Fairwell beneath the ever flowing clouds lies a ruin known as Cairn Hollow So begins this tale of a Halloween Ball and bitter revenge A spiteful woman orders the destruction of an estate cottage that has become a shelter for forest life In retaliation two ravens and a demon spell a wretched scarecrow into a handsome rogue Christened Adrian Bramwell his mission is to seduce the woman's daughter Civette with the goal of Nature's creatures taking over the estate mansion as their new sanctuary Yet between the dawn and the dusk of his one day on earth their creation begins to feel to guess and to suffer Will Adrian cold heartedly lure Civette away or will he fall in love **Fall of the Galactic Empire** Rogue Planet Press, 2015-11-25 In a distant future the Galactic Empire stretches from one end of the Milky Way to the other Its capital lies on a soulless metallic world city close to Galactic Center its fortress planets guard every spiral arm At its heart its citizens dwell in sybaritic indulgence their lives eased by luxuries imported from the outer worlds whose populations toil as slaves beneath the stinging electro lash of the overseers For a million years the Empire has been expanding but its star cruisers can venture no further until a spacedrive is invented that can cross the unimaginable gulfs between this galaxy and Andromeda Now the Empire begins to turn inward The ensuing revolt will set the Galaxy at war Does this spell the end of Empire When it

is gone what will take its place Freedom Or a tyranny far worse For now all the citizens of the galaxy can do is prepare themselves for the FALL OF THE GALACTIC EMPIRE Murder on the Backswing ReGina Welling,Erin Lynn,2018-03-20 Sister witches Margaret and Clara Balefire are starting to wonder if they should have opened a detective agency instead of an antique shop Taylor Dean was the worst mailman to ever put on a uniform Everyone in the sleepy hamlet of Harmony thought so but that didn't mean he deserved to get bashed in the head with a golf club For Mag Balefire the timing of his untimely death couldn't have been worse since he'd been spotted arguing with her on the morning of his murder For the second time since moving to the sleepy hamlet of Harmony Clara and Mag Balefire find themselves involved in a murder investigation only this time catching the killer means clearing the Balefire name As if trying to catch a murderer wasn't enough the mischievous elderly leader of the local coven seems intent on exposing magic to the entire town However things aren't always as they seem when it comes to ancient magic and those powerful enough to wield it If you like magic murder and spunky old witches then join the Balefire sisters as they stalk the local country club and build a love nest for perilous pixies in order to clear their good name This is a full length humorous witch cozy mystery novel Books in this series 1 Murder Above the Fold 2 Murder on the Backswing 3 Murder Below the Waterline 4 Haunted by Murder Series keywords witch cozy mystery psychic witch mystery comedy funny romantic paranormal mystery witch mystery ghosts mature witch sleuths spirits and ghosts fun and funny paranormal mystery series magical mystery series mysteries with witches feel good mystery small town mystery women sleuths female protagonists crime solving witches witch fantasy mystery witch mystery paranormal women's fantasy **Towers of Midnight** Robert Jordan,Brandon Sanderson,2011-01-31 The Wheel of Time is now an original series on Prime Video starring Rosamund Pike as Moiraine With Robert Jordan's untimely passing in 2007 Brandon Sanderson the New York Times bestselling author of the Mistborn novels and the Stormlight Archive was chosen by Jordan's editor his wife Harriet McDougal to complete the final volume in The Wheel of Time later expanded to three books In Towers of Midnight the thirteenth novel in Jordan's 1 New York Times bestselling epic fantasy series the Last Battle has truly begun The seals on the Dark One's prison are crumbling The Pattern itself is unraveling and the armies of the Shadow have begun to boil out of the Blight The sun has begun to set upon the Third Age And trials by fire await those fighting against the darkness that encroaches from their enemies and within themselves Perrin Aybara is now hunted by specters from his past Whitecloaks a slayer of wolves and the responsibilities of leadership All the while an unseen foe is slowly pulling a noose tight around his neck To prevail he must seek answers in Tel'aran'rhiod and find a way at long last to master the wolf within him or lose himself to it forever Mat Cauthon must once again face the creatures beyond the stone gateways the Aelfinn and the Eelfinn He had hoped that his last confrontation with them would be the end of it but the Wheel weaves as the Wheel wills The Tower of Ghenjei awaits and its secrets will reveal the fate of a friend long lost Rand al'Thor the Dragon Reborn arrives at the White Tower with a startling revelation for Egwene al'Vere Fearful for his sanity Egwene
