The Bible Says... Dae Young Choe, 2000-03-29 Most of us begins to read the bible trying to understand our creator God and find out the way to escape from this troublesome world while struggling to cope with this fast running modern society and survive But reading through the bible alone would take a year and yet finding out what it says is still another story So many of us

close the bible before flipping over several pages and come back to wandering again for the same reason of enormous amount of scriptures and the difficulty to understand Simply we are trapped in this busy world of devil and the devil does not allow us to think about where we come from where we go to and why we live in this world That was stated in the bible as dead saying And another of his disciples said unto him Lord suffer me first to go and bury my father But Jesus said unto him Follow me and let the dead bury their dead Matthew 8:22 As the result we just go to church for self relief and follow the instructions of the church for no reason and say we obey to God Yet still we do not know what God says Leaving every teaching of religious people and traditional religious idea behind I tried to hear from God directly through the bible based upon solid rock foundation of common sense that the truth never changes I did not hesitate to go to the extreme to stand on that foundation and I believe that extreme faith gave me understanding divine only God who is in extreme high place As the bible says No one can come to Me unless the Father who sent Me draws him and I will raise him up on the last day John 6:44 this book is not intended to draw people into belief but to guide God's people that are lost In other words it is only for Sons of God It doesn't necessarily mean that my way is the best way So anybody who knows the way should follow own way

The Ohio State Medical Journal, 1920 **Racers of Royal Oaks: Linc** Gemma Snow, 2023-09-15 It's been ten years since Rochelle Graves returned to Royal Oaks Winning races is challenge enough but for Linc and Ellie avoiding the intense pull between them might be even harder Driven by desperation Rochelle Graves returns to the town of Royal Oaks for the first time in ten years the town she left in the wake of heartbreak and tragedy She may have accepted the North Kerrington way of life trading in her work boots for high heels and her quarter mile drag strip for the finest rally racing track in all of New England but Royal Oaks looks just as it did all those years ago With one exception Linc Archer never thought he'd see Ellie again not after she disappeared into her new high society life without a trace But when she walks into his shop late one night those memories come flooding back and he's reminded of exactly why they'd been so perfect for each other all those years ago Only now he's the bad boy from the wrong side of the tracks and Ellie's life is all mapped out for her a life that doesn't include him Royal Oaks is known for being rough and tumble but life in North Kerrington isn't as perfect as it appears on the surface Together Linc and Ellie must navigate a lifetime of memories sabotage marriage proposals and everything it means to come from two different worlds Perhaps then they might just be able to cross the finish line for the first place prize of a lifetime
