The End Ken Hathcoat,2015-03-22 People are fascinated with Revelation and end times Unfortunately Revelation studies and Bible prophecy books still remain a puzzle for many Christians Most end time books are either unnecessarily confusing or overly simplistic in their conclusions *The End* is a study of Revelation that presents a clear concise and thorough biblical analysis of the major end time events without simplistic explanations or wordy seminarian language *The End* is more than a commentary on Revelation and end time prophecies It offers fresh insights and applications on these subjects for your daily life

The Flow of Endtime Events Richard Suchy,2003-04-06 A personal relationship with Jesus Christ and the leading of the Holy Spirit are required as first steps in understanding the Bible God then requires that believers diligently study His Word with open hearts and minds as they seek His truth This book is intended as a study aid in understanding Bible prophecy Questions addressed include How will victory over world terrorism lead to something even more horrifying What can we deduce about the personality and cultural background of Antichrist What part does the ancient Wailing Wall in Jerusalem play in prophecy Why do so many people believe in a seven year Tribulation when the Bible teaches that the first half of this period is a time of peace How will religious freedom lead to the outlawing of true Christianity Why will God allow His people to suffer at the hands of Antichrist Why do so many people believe in the imminent return of Christ when the Bible clearly indicates that certain events must happen first Why will most of the earth s population look to Satan as the world s hope of salvation and see Jesus Christ as the super villain of the universe

Exploring End-Time Events in the Revelation of Jesus Christ J. McCluskey,2014-10-19 The Revelation of Jesus Christ prophecy discussed here is very much for the times in which we live Additional information is give here about other end time Bible prophecies and especially those recorded by Daniel We will find greater details about such things as the Investigative Judgment in heaven and related events that tell us when that investigation will include the

living as probationary time is coming to a close These very difficult testing times will soon be here for all the living and we do not need to be in the dark about it 1Thessalonians 5:1-8 *The Great Endtime Events (Eschatology)* Francois Petrus Möller,1998 The Words of Light and Life series is concluded with a volume focusing on understanding the book of Revelation the signs of the times and the return of Christ millennialism or chiliasm death and resurrection final judgement and punishment reward and heavenly glory [Preacher's Outline & Sermon Bible-KJV-Revelations](#) Leadership Ministries Worldwide,1999-02 What if you could study Revelation with your favorite Bible scholars from across the ages With The Preacher's Outline Sermon Bible you can This unique resource is designed to empower pastors and leaders to effectively preach and teach God's Word This is much more than a commentary it takes the best scholarly works available and combines them in a single resource Inside each volume of The Preacher's Outline Sermon Bible you'll find A verse by verse outline alongside each passage of Scripture that draws out key concepts In depth commentary synthesized from hundreds of trusted sources including Matthew Henry John MacArthur Charles Spurgeon and many more Thoughts designed to provide practical application of Scripture for your congregation Deeper studies that expand on original Greek sources provide historical background and explain key points An Outline Subject Index designed for topical study perfect for quickly creating messages on a particular theme There's a volume of The Preacher's Outline Sermon Bible series for nearly any sermon you can imagine Explore the full series on our website at lmw.org **The End Times in Chronological Order Workbook** Ron Rhodes,2022-06-07 You Can Understand Bible Prophecy for Yourself In today's tumultuous world we see current events aligning with what will happen during the tribulation period prophesied in the Bible The uncertainty of what is to come has led many to ask questions about what will happen and when With this companion to The End Times in Chronological Order author Ron Rhodes provides a strategically designed guide to help you unpack Bible prophecy Whether you journey through this workbook on its own or in tandem with the book this resource illuminates every key concept believers need to know and where they fit on God's timeline from the rapture to the tribulation to the return of Christ and beyond Let your heart be enriched nurtured and emboldened as you experience the blessing the book of Revelation promises to those who study Bible prophecy The End Times in Chronological Order Workbook will equip you to better understand and prepare for what God has made known about the future **Know What the Future Holds** Robert Gullberg,2021-01-26 I have been fascinated in future world events ever since reading The Late Great Planet Earth by Hal Lindsey in the mid 1970s At that time Lindsey asked the question Do we live in the era of the antichrist and End Times as foretold by Moses and Jesus Christ Since then we all have repeatedly asked that question It was appropriate that much of his study was focused on the Book of Revelation This companion book is an attempt to simplify End Times events for you Study the book of Revelation with this book at your side Verse by verse I have summarized the book of Revelation into 22 short sections that will be easy for you to follow as you read along with your Bible Numerous Old Testament references are noted I have streamlined the study of eschatology the study of

end times events that have yet to occur in our human timetable Take heart fellow Christians and enjoy the sobering journey Did you know that the Book of Revelation is the only book out of the Bible s 66 books that explicitly tells us that we will be blessed by God if we read it and take it to heart Most people probably don t realize this Revelation 1 3 says this Blessed is the one who reads the words of this prophecy and blessed are those who hear it and take to heart what is written in it because the time is near *Hidden But Now Revealed* G. K. Beale, Benjamin L. Gladd, 2014-11-21 This book explores the biblical conception of mystery as an initial partially hidden revelation that is subsequently more fully revealed shedding light not only on the richness of the concept itself but also on the broader relationship between the Old and New Testaments As such it is a model for attentive and faithful biblical theology **A Literal Interpretation of the Messages Delivered to Daniel** Dr. Albert Heaney, 2021-09-09 After completing a detailed study of the Book of Revelation and then writing the book entitled *The Revelations and Warnings of Jesus to His Church* I was challenged by claims of modern day scholars that additional revelations and modifications of some of the material found in the Book of Revelation could be found in the Book of Daniel After my study of the Book of Revelation I came to the conclusion that the Book of Revelation which deals primarily with end time events is a complete book as it stands All the major events that will occur in the end times is listed and the Book of Revelation as written is complete no modifications or additions are needed The book itself contains a warning that if anyone adds to or takes away from the words of this prophecy God will take away his part from the tree of life Rev 22 18 19 A study of the Book of Daniel was necessary so as to discover the true messages found in the book and dispel the false messages some have claimed can be found in the book The Book of Revelation clearly deals with end time events whereas the Book of Daniel deals primarily with the events of God s people in Daniel s day Although there are some general references to end time events the primary focus of the Book of Daniel deals with events of Daniel s day The book shows the intimate relationship God has with His people as they go through the tragic times of their day He first warns His people then redeems them in the time of their deepest needs 2 *The Sequence* Steven R. Bates, 2024-08-30 Sometimes the best way to let one know what something is is to let one know what it isn t Today s typical academic book in eschatology provides the reader with a brief history of the various positions in the field followed by why certain positions should be considered the better options This is not that book Over the course of twelve chapters six sequences will be presented from the three major sources in the New Testament regarding the subject i e Paul s letters to the Thessalonians the Olivet Discourse and John s visions in Revelation Through a careful reconciliation of those six sequences Dr Steven R Bates will show that there s only one sequence of end times which he has labeled The Post Armageddon Premillennial Resurrection He asserts that had any other sequence of end times been correct whether pre tribulationism pre wrath mid tribulationism historic pre millennialism post millennialism a millennialism preterism or any other sequence that one could possibly imagine then the proponents of that postulation should be able to take the same six sequences from Scripture and reconcile them precisely with one another

sentence by sentence and prove whatever sequence they propose But of course no one will ever attempt such an endeavor because it s theoretically impossible Scripture s six sequences only confirm one sequence and it is the one which has been presented in The Sequence

End-time Events Charles Capps,1997 In this revealing and prophetic look at Gods Word bestselling author Charles Capps opens the Scriptures surrounding the end of the age

Pinpointing God's plan for the events that will end this world as we know it, this exciting book brings to light types and scriptural composites which God has hidden in the Bible for this generation. Leaves of Healing, 1930. Understanding the Book of Revelation. D. Min. David Baxley, 2018-05-14. The Book of Revelation has long been thought of as a formidable and confusing work understandable to only elite bible scholars. But like its very name, Revelation, understanding of this seemingly complex book is available to all. God has even promised a special blessing to those who read it. David Baxley D. Min. has broken down the perceived barriers and written a simple verse by verse commentary that is understandable to even beginning bible students. It includes maps, a chronology of end time events and wars, definitions and cross references to Old Testament scriptures that point to the time of the end. He also includes discussion of sections that are still not fully understood or defined with possible varying interpretations. Revelation readers can get bogged down in the symbolism and sensationalism of the judgment and miss the main message of the book. It is a book of hope in the return of Jesus Christ and His perfect rule that will bring an end to evil and injustice and believers will live with God forevermore. A bible student for over 50 years and pastor for over 40, Dr. David Baxley has studied and taught the Book of Revelation extensively. While in the hospital recovering from a heart transplant, he realized that the sequence of end time events was still not clear in his mind, so he spent the next two years in intense study. This book is the result of that study. **Outline Studies in the Books of the Old Testament**. William Gallogly Moorhead, 1893. **Revelation**. Brian Lochbrunner, 2024-03-15. The Book of Revelation has been and continues to be a subject of debate and discussion. Numerous scholars and theologians have studied and dissected it. Men have given speeches and written volumes on this one book of the Holy Bible. Revelation contains secrets of both the past and the future of and for all humanity. These secrets were exposed by the One Who held them and the One Who controls all. Jesus Christ in His revelatory oration to His Apostle John while John was imprisoned on the Isle of Patmos. From the moment Jesus begins to describe Himself to the last word He gives to the angel of the Seventh Church, we are mesmerized by the beauty of His speech as well as grieved by the failures of mankind. We cannot help but to be drawn into the poetry with which our Savior speaks. Nor can we deny that His words as weighty as they may be, are merciful, loving, holy, true, faithful, and just. It is in the pages of Revelation that we find Jesus speaking specifically of the seven types of churches, a woman riding an odd looking beast, disobedient angels, super natural bugs, and an army of demons. You will be drawn in from the first chapter. Brian Lochbrunner's REVELATION: A Study of the Events of the End Times is more than a light reading. With a genuine desire to reach lost souls, he has offered up years of study for your scrutiny and perusal. May you also come to the one and only conclusion in this book: Humanity's sinful nature and desperate need for a redeeming Savior is found, met, and complete in Christ Jesus, our Lord. Amen. Watchman, how Far Gone is the Night? John M. Stephenson, 1995. WATCHMAN HOW FAR GONE IS THE NIGHT warns that signs signal Revelation's end times have already begun. World war is impending that will place nations under Revelation's International Government. The New World Order implementing God's disciplinary action.
