

The Rainbow Serpent

The following story is based on a traditional Dreaming story, involving the Rainbow Serpent.

Long, long ago in the Dreaming, the Earth lay flat and still. Nothing moved and nothing grew. One day, a

beautiful snake made her way across the land and came out from under the ground. The snake was known as the Rainbow Serpent.

She travelled for a very long time, for and with her body made her way across the land, her body formed mountains, valleys and rivers.

The Rainbow Serpent was the Dreaming creature who shaped the Earth. After all of her travelling, she grew tired. She curled up and went to sleep.

After some rest, she woke up and found that she had shaped the land. From out of the ground, she saw mountains and valleys. She saw that the land was now covered with plants and animals. She was pleased with her work.

After she was pleased with her work, she went back to sleep. She was pleased with her work.
