

Strategic Planning in Hospitality Case Study

1. Questions

Business strategies are created to cater to your own goals and address the external opportunities, identify major risk factors and ensure that value created by business stays in the hands of your shareholders and senior business team. The government in China has introduced many policies and controls under these circumstances. How does the firm react to these and the government intervention to meet up the demand for Chinese hospitality in the worldwide market in these times? The following steps to meet up business in Chinese market will be listed below:

First steps of market entry in China

Following Chinese government's economy has moved to the Chinese market. The government has a long-term strategy under three strategies: monetary, the state-owned enterprise, and foreign investment in the foreign market. In the foreign market, the goal of providing self-sufficient supply to meet domestic needs with domestic resources, including technology, is Chinese government's and business strategies. http://www.chinainvestor.com/press/press_releases/2012/07/. This policy means to ensure that the market has opened to businesses and to show to this policy with their local legal system that the business opportunities will increase.

Second steps of market entry in China

Business should always be the national and local in quality, price, time, cost and service. There are some policies in high-quality products in an affordable price that the local market has offered. High-quality products are the most important in the local market, as well as the price because business practices change the place.

Third steps of market entry in China

Company business in the local market has been growing most years with increasing revenue. However, it is still in the business because an enterprise is important, even when business has policies of local government, including paying taxes and government duties.

Fourth steps

The agreement should be prepared to target the regional and global business in both the local market and the local economy, as there are various costs and opportunities that local companies must address for efficiency, as this was already done by the marketing activities in these local government of local or international firms in local markets.

Fifth steps

In this case study, the importance of a good market is demonstrated by the fact that it is necessary to provide the business the most efficient people in the local economy and the local market.
