

Infinite Jest

[Excerpts]

By David Foster Wallace

Obesity. Obesity with hypogonadism. Also morbid obesity. Nodular leprosy with leonine faces....

The acromegalic and hyperkeratotic. The enuretic, this year of all years. The spasmodically torticollic....

Those with saddle-noses. Those with atrophic limbs. And yes chemists and pure-math majors also those with atrophic necks. Sclerodema adutorum. Them that seep, the serodermatotic. Come one come all, this circular says. The hydrocephalic. The tabescent and chachetic and anorectic. The Brag's-Diseased, in their heavy red rinds of flesh. The dermally wine-stained or carbuncular or streptocryptotic or God forbid all three. Marin-Amat Syndrome, you say? Come on down. The psoriatic. The excrementally shunned. And the scrofulodermic. Bell-shaped stiatopygiacs, in your special slacks. Afflictées of Pityriasis Rosea. It says here Come all ye hateful. Blessed are the poor in body, for they....

The leukodermatic. The xanthodantic. The maxillofacially swollen. Those with distorted orbits of all kinds. Get out from under the sun's cove-lighting is what this says. Come in from the spectral rain.... The basilisk-breathed and pyorrhetic.... All ye peronic or teratoidal. The phenologically malformed. The suppuratively leonized. The endocrinologically male-dorosa of whatever ilk. Run don't walk on down. The accrevulus-nosed. The radically -ectomized. The morbidly diaphoretic with a handœ in every pocket. The chronically granulomatous. The ones it says here the ones the cruel call Two-Baggers—one bag for your head, one bag for the observer's head in case your bag falls off. The hated and dateless and shunned, who keep to the shadows. Those who undress only in front of their pets. The quote aesthetically challenged. Leave your razettes and oubliettes, I'm reading this right here, your closets and cellars and TP Tableaux, find Nurturing and Support and the Inner Resources to face your own unblinking sight, is what this goes on to say, a bit overheatedly maybe. Is it our place to say. It says here Hugs Not Ughs. It says Come don the veil of the type and token. Come learn to love what's hidden inside. To hold and cherish. The almost unbelievably thick-ankled. The kyphotic and lordotic. The irremediably cellulitic. It says Progress Not Perfection. It says Never Perfection. The fatally pulchritudinous. Welcome. The Actaeonizing, side by side with the Medusoid. The papuled, the macular, the albino. Medusas and edaliques both. Come find common ground. All meeting rooms windowless. That's in it: all meeting rooms windowless....

Nor are excluded the utterly noseless, nor the hideously wall- and cross-eyed, nor either the ergotic of St Anthony, the leprous, the varicelliformally eruptive or even the sarcoma'd of Kaposi....

The multiple amputee. The prosthetically mismatched. The snaggle-toothed, wattled, weak-chinned, and walrus-checked. The palate-clefted. The really large pored. The excessively but not necessarily lycanthropically hirsute. The pin-headed. The convulsively Tourettic. The Parkinsonsally tremulous. The stunted and gnarled. The teratoid of overall visage. The twisted and hunched and humped and halitotic. The in any way asymmetrical. The rodential- and saurian- and equine-looking....

The tri-nostrilled. The invaginate of mouth and eye. Those with those dark loose bags under their eyes that hang halfway down their faces. Those with Cushing's disease. Those who look like they have Down Syndrome even though they don't have Down Syndrome. You decide. You be the judge. It says You are welcome regardless of severity. Severity is in the eye of the sufferer, it says. Pain is pain. Crow's feet. Birthmark. Rhinoplasty that didn't take. Mole. Overbite. A bad-hair year.

Infinite Jest Footnotes Pdf:

The Top Books of the Year Infinite Jest Footnotes Pdf The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the captivating narratives that have charmed audiences this year. The Must-Read : Colleen Hoover "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Infinite Jest Footnotes Pdf : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
