Project Management: The Managerial Process with MS Project Erik W. Larson, Clifford F. Gray, 2013-10-16 As the market leading textbook on the subject Project Management The Managerial Process is distinguished by its balanced treatment of both the technical and behavioral issues in project management as well as by its coverage of a broad range of industries to which project management principles can be applied It focuses on how project management is integral to the organization as a whole The text not only delivers the tools and processes is essential to successful project management but also an understanding that the effectiveness of these tools and methods are shaped and determined by the prevailing culture of the organization and interpersonal dynamics of the people involved As such Larson Gray presents a holistic view that focuses on methodology as well as the human dimension and how they interact to determine the outcome of projects Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need when they need it and

how they need it so that your class time is more engaging and effective Loose Leaf for Project Management: The Managerial Process Erik W. Larson, Clifford F. Gray, 2020-01-02 Project Management 8e provides a holistic and realistic approach to Project Management that combines the human aspect and culture of an organization with the tools and methods used. It covers concepts and skills used to propose plan, secure resources, budget and lead project teams to successful completion of projects. This text is not only on how the management process works but also and more importantly on why it works. It is not intended to specialize by industry type or project scope rather it is written for the individual who will be required to manage a variety of projects in a variety of organizational settings. 8e was written for a broad range of audiences including project managers, students, analysts and Project Management Institute Members preparing for certification exams. The digital component Connect now has enhanced algorithmic problems, Application Based Activities, SmartBook 2.0 and Practice Operations, a game based 3D operations management simulation.

Loose Leaf for Project Management: The Managerial Process 7e Erik W. Larson, 2017-02-03 As the market leading textbook on the subject Project Management The Managerial Process is distinguished by its balanced treatment of both the technical and behavioral issues in project management as well as by its coverage of a broad range of industries to which project management principles can be applied. It focuses on how project management is integral to the organization as a whole. The text not only delivers the tools and processes essential to successful project management but also an understanding that the effectiveness of these tools and methods are shaped and determined by the prevailing culture of the organization and interpersonal dynamics of the people involved. As such Larson Gray presents a holistic view that focuses on methodology as well as the human dimension and how they interact to determine the outcome of projects. Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need when they need it and how they need it so that your class time is more engaging and effective.

Project Management Erik W. Larson, Beverley Honig, Clifford F. Gray, David Baccarini, Ursula Dantin, 2013-09-26 Project Management The Managerial Process provides a holistic integrative view of project management with a focus on the above framework. It presents readers with a complete picture of project management not only what to do and how to do it but also why it is done. This international adaptation contains the valuable addition of local and regional cases and applications. The generic approach in this text ensures relevancy across all studies and industries for students, prospective project managers, project management practitioners, analysts, managers or those assigned to project teams.

Project Management w/MSProject2007 CD and Student CD Erik Larson, Clifford Gray, 2010-04-08 As the market leading textbook on the subject Project Management The Managerial Process 5e is distinguished by its balanced treatment of both the technical and behavioral issues in project management as well as by its coverage of a broad range of industries to which project management principles can be applied. It focuses on how project management is integral to the organization as a whole. The 5th edition reflects the latest changes found in the practice.
