Prasad,2020-10-01 The book in its tenth edition has been thoroughly restructured and revised All the chapters of the present edition have been re written not only to incorporate the latest developments in management but also to make presentation of subject matter more lucid and crisp Chapter 3 of the previous edition Managers and Environment has been named as Management Challenges and Opportunities in the present edition so that proper focus is put on these issues Thus the present edition is ideally suited to management students as well as management practitioners particularly those who have not gone through formal management education

Principles And Practice Of Management Ms. Jagriti Gupta,Dr. Shalini Chaturvedi,Dr. Rajjan Prasad,Dr. N. Ananthi,2022-11-08 Managing entails taking responsibility for and arranging activities and personnel The best managers think about how their decisions will affect the company as a whole from upper management to staff to clients Effective management is all about catering to the specific needs of each staff member so that they may reach their full potential Managers that take the time to get to know their staff members on a personal level may do a lot to boost morale and career advancement inside the firm which in turn benefits the business as a whole A manager s job is to ensure that their staff has all they need to not only do their jobs effectively but to go above and beyond Managers are held accountable in this book for ensuring that their staff receives proper onboarding direction and continued training and development over the course of their employment But rather than following a standard growth plan this training should be tailored to each employee s specific needs Effective management requires the ability to tailor one s instruction to the unique learning styles of each employee Some workers for instance benefit most from hearing instructions laid out verbally while others learn best from reading them Some people are slow learners and require more time to become proficient at a task
