Cities John Reader:

Cities John Reader, 2004 Anthropologist John Reader gives us an ecological and functional context of how cities evolve throughout human history He examines how urban centers thrive decline and rise again and predicts the role cities will play in the future

Cities Jeremy Seabrook, 2007-07-20 What are the global challenges of the twenty first century Every year tens of millions of people abandon rural areas for life in the city With education health care and even safe water in short supply cities risk becoming sites of violent conflict for future generations And yet world governments are doing little to address these demographic shifts Jeremy Seabrook offers a vivid portrait of the lives of people who migrate from impoverished villages to towns and cities the changes they face and the impact these changes have on their psyche and well being Contrasting the attitudes of today s governments with those of the past the book provides a sharp critique of global policies and an ideal introduction to the impact of urbanisation on modern life The Small Guides to Big Issues series de bunks myths and raises questions about the global economic and political system and how it works They are designed for campaigners and activists students and researchers and anyone interested in looking behind the headlines Produced in partnership with Oxfam each book provides an informative and thought provoking guide to current trends and debates and what needs to happen in order to end poverty and injustice

Testimony Taken Before the Senate Committee on Cities Pursuant to Resolution Adopted January 20, 1890 ... New York (State). Legislature. Senate. Committee on Cities, 1891

Piercing Time Peter Sramek, 2014-01-01 *Piercing Time* examines the role of photography in documenting urban change by juxtaposing contemporary rephotographs taken by the author with images of nineteenth century Paris taken by Charles Marville who worked under Georges Haussmann and corresponding photographs by Eug ne Atget taken in the early twentieth century Revisiting the sites of Marville s photographs with a black cloth tripod and view camera Peter Sramek creates here a visually stunning book that investigates how urban development the use of photography as a documentary medium and the representation of urban space reflect attitudes towards the city The essays that run alongside these fascinating images discuss subjects such as the aesthetics of ruins and the documentation of the demolitions that preceded Haussmannization as well as the different approaches taken by Marville and Atget to their work The book also includes contemporary interviews with local Parisians extracts from Haussmann s own writing and historical maps that allow for an intriguing look at the shifting city plan Sure to be of interest to lovers of the city be they Parisians or visitors *Piercing Time* provides a unique snapshot of historical changes of the past 150 years But it will also be of enduring value to scholars The accurate cataloguing and high quality reproductions of the images make it a resource for a significant portion of the Marville collection in the Mus e Carnavalet and it will aid further research in urban history and change in Paris over the past century and a half Photographers will be drawn to the book for its new thinking in relation to documentary methodologies

The Ordeal of Peace Adam R. Seipp, 2016-03-03 Historians know a great deal about how wars begin but far less about how they

end Whilst much has been written about the forces passions and institutions that mobilized societies for war and worked to sustain that mobilization through years of struggle much less is known about the equally complex processes that demobilized societies in the wake of armed conflict As such this new book will be welcomed by scholars wishing to understand the effects of the Great War in its fullest context including the reactions behaviors and attitudes of ordinary Europeans during the tumultuous events of the years of demobilization Taking a transnational perspective on demobilization this study demonstrates that the experience of mass industrial war generated remarkably similar pressures within both the defeated and victorious countries Using as examples the important provincial centres of Munich and Manchester this book examines the experiences of European urban dwellers from the last year of the war until the early 1920s Utilizing a wide variety of sources from more than twenty archives in Germany Britain and the United States this book recovers voices from the period that are often lost in conventional narratives capturing the richness and diversity of the ideas visions and conflicts engendered by those difficult and tumultuous years The result is a book that paints a vivid picture of the difficulties that peace could bring to economies and societies that had rapidly and fully adapted to the demands of industrial world war
