recipient s generic or experiential expectations but which nonetheless frequently encapsulates the tenor of the work as a whole Such omissions can be employed for their affective potential when emotions represented or evoked by the text are deemed to be beyond words They can be employed to raise epistemological questions as when an omission marks the limits of what can be known Ethical questions can also be approached by means of omissions as when a character s voice is omitted for instance Finally omission always carries within it the potential to reflect on the media and genres on which it is brought to bear as its efficacy depends on the recipient s generic expectations omission is frequently characterized by a high degree of meta discursiveness This volume investigates the various strategies with which the phenomenon of omission is employed across a range of textual forms and in different cultures to conclusively argue for its status as a highly effective and near universal form of artistic signification Lost Classics Michael Ondaatje,Michael Redhill,Esta Spalding,Linda Spalding,2011-03-30 An Anchor Books Original Seventy four distinguished writers tell personal tales of books loved and lost great books overlooked under read out of print stolen scorned extinct or otherwise out of commission Compiled by the editors of Brick A Literary Magazine Lost Classics is a reader s delight an intriguing and entertaining collection of eulogies for lost books As the editors have written in a joint introduction to the book being lovers of books we ve pulled a scent of these absences behind us our whole reading lives telling people about books that exist only on our own shelves or even just in our own memory Anyone who has ever been changed by a book will find kindred spirits in the pages of Lost Classics Each of the editors has contributed a lost book essay to this collection including Michael Ondaatje on Sri Lankan filmmaker Tissa Abeysekara s Bringing Tony Home a novella about a mutual era of childhood Also included are Margaret Atwood on sex and death in the scandalous Doctor Glas first published in Sweden in 1905 Russell Banks on the off beat travelogue Too Late to Turn Back by Barbara Greene the slightly ditzy cousin of Graham Bill Richardson on a children s book for adults by Russell Hoban Ronald Wright on William Golding s Pincher Martin Caryl Phillips on Michael Mac Liammoir s account of his experiences on the set of Orson Welles s Othello and much much more *Codex Seraphinianus* D.
