Bondage) La Marchesa,2019-08-04 The BEAST is back For months after satisfying her lifetime obsession with a five man gangbang restive mom s compulsion a BEAST that craved excitement in the form of depraved sex acts seemed to be gone But unfortunately the BEAST has returned with a vengeance Warning This story contains extreme sexual situations

Days and weeks passed and the memories of my gangbang grew dim However at night I used my husband as I secretly played out a scene from my great infidelity in my head in our marital bed The memories flooded back strong and almost every night we had sex replicating whatever form of sex I fixated on from that fateful day About a month after Ed and friends had their way with me I fixated on anal sex After all four out of the five gangbangers had violated my colon and I couldn t get how much I liked it out of my mind So I asked Robert to fuck me there He was shocked For years he d been after me to try it but I always resisted I think he was suspicious about my change of heart but he was so anxious to fuck my asshole that he did it without question We both liked it so much we fucked that way almost exclusively for a week before we moved into new territory I d never orgasmed as much before and my husband noticed Nothing was said directly In fact he was quite happy with the situation although he d mention occasionally about how

quickly and how many times I'd come. Yes, he did make me come. It was his cock that allowed me to reach orgasm. It was his semen that I let trickle out of my pussy or he splashed onto my tits or I swallowed. Yes, I swallowed. Could I do any less for my husband than I did for five strangers? Nevertheless, almost every night I cheated on my husband mentally and consequently my guilt had become overwhelming. I considered confessing, which I was sure would lead to separation and divorce. Why not skip the confession and just take Bobby and leave? Because Robert hadn't done anything that's why. It had been three months since that memorable day when five virile young men had me every way you can think of and made me feel so alive. I felt like a goddess. Yes, Robert and my flagging sex life had been rejuvenated and I thought the Beast within me had been vanquished. After all, we had sex at least once a night and with my help, Robert evolved into a fairly good lover. Of course, he was aided greatly by the vivid memories of my gangbangers banging me as he fucked me and when those memories began to fade, my hunger, my overwhelming need to be bad, gradually returned. The Beast was back.
