Perkins,2008 The Book on Adler is Kierkegaard s most revised manuscript his longest unpublished book and the book of which he left the most drafts When he decided not to publish the book he pulled a chapter The Difference between a Genius and an Apostle and published it in Two Ethical Religious Essays 1849 All this rowing and backwatering show the complexity of his personal involvement in this book and concern for the person of Adler The ostensible subject is the claim by a pastor of the Danish state church Adolph Peter Adler that he had received a private revelation from Jesus in which He had dictated the truth about the origin of evil The content of this revelation was quoted verbatim in the preface to one of Adler s several books of sermons Such a claim to a private revelation was then and is still in conflict with the concepts of revelation and authority in Christian churches Jesus had further commanded Adler to burn all Hegel s texts that he owned which he did without hesitation Adler had written his doctoral thesis on isolated subjectivity in Hegel s thought and he apparently thought that the burning of Hegel s books cleaned up his categories and ridded him of Hegel s influence on his thinking The irony is that this observable act demonstrated his own isolation not only from the Hegelian tradition but also from Christian theology which addresses itself to the human heart Kierkegaard considered Adler s revelation claim to be an extreme but still typical example of the religious confusions of the age The essays in this volume address the issue of revelation subjectivity and related topics that remain problematic to this day and are perhaps even more acute in a postmodern age **BOOK JACKET** [The Saturday Review of Politics, Literature, Science and Art](#) ,1881 **The Sketch** ,1910 *Beginners Guide To The Bibles Last Book Revelation And The Significance Of The Number 7* Joy Jacoby,2023-04-14 Go back to God s loving embrace and follow Christ s way with this essential guide to the book of Revelation walk in truth and faith by living in accordance with His Word Do you feel lost as if an unknown force is tempting you to live astray in opposition to the teachings of the Bible God s life guide You re not alone Millions of faithful followers around the world are struggling to fight against all sorts of demons every minute of every day The scriptures tell us to live faithfully and responsibly by following God s Word as we await Jesus second coming But as they do so many are tempted to commit all sorts of sins partly because they fail to ward off temptations and partly because some of them don t believe that Christ will return any time soon This should not be the way and every Christian knows it including you The book of Revelation is written by the apostle John as a letter to the churches across Asia Minor during the persecution of those who believe in God It has been interpreted in many ways and some people have treated it as an apocalyptic message But this isn t the whole story Open yourself up to a change of perspective and take a look at the Bible s last chapters with an

open mind and heart one that will wholly accept what God is saying between those words Understanding the book of Revelation and learning what God wants us to do may be challenging but you have this beginner friendly guide to lead you every step of the way one verse at a time Inside you will discover A brief history of the book of Revelation including an overview of how and why the apostle John wrote the Bible s last pages The 22 Revelations of the Bible including a verse by verse explanation for you to gain an in depth understanding of God s message beyond the literal meaning of words The significance of the number 7 in both the Bible and the book of Revelation and how you can use and integrate its meaning in your daily life as a Christian A closer look at Revelations 19 and 20 gain a deeper perspective of Christ s return and Satan s judgment End of chapter questions to help you gain a more profound understanding of each chapter A new look at each revelation will make you realize the importance of spreading the Word and Truth of God prepare for the coming of His Kingdom by paying it forward and sharing His love with the world And much more God shared these revelations not for His children to feel afraid or anxious about the inevitable harsh times ahead but to help you prepare yourself to receive your just rewards and blessings for your faithfulness It s time you strengthen your faith with the teachings of the book of Revelation God loves you and He wants you to be with Him in His Kingdom If you re ready to commit your whole self to Jesus and lead a life under His grace
