The New African American Urban History Kenneth W. Goings, Raymond A. Mohl, 1996-05-20 In recent decades an exciting new scholarship has emerged that is changing the way African American urban history is perceived While earlier studies often portrayed African Americans as passive and powerless or as victims of white racism and slum pathologies The New African American Urban History emphasizes the new scholarship that conveys a sense of active involvement It supports the view of African Americans as people empowered engaged in struggle living their lives with dignity and shaping their own futures In this perceptive volume contributors examine the great modern migrations of African Americans to the city the creation and expansion of black communities and black life and culture with special emphasis on working class culture This collection of essays written by prominent scholars comes together in perfect harmony with a common thematic approach and interpretive analysis which has shaped new writing in the field for the past decade Both groundbreaking and inspiring The New African American Urban History will prove to be an invaluable resource for students and professionals in urban and ethnic studies *The Annual American Catalog, 1908*, 1909
