Teacher Involvement in High-Stakes Language Testing Daniel Xerri, Patricia Vella Briffa, 2018-04-27 This book advocates that teachers should play an active role in high stakes language testing and that more weight should be given to teacher judgement This is likely to increase the formative potential of high stakes tests and provide teachers with a sense of ownership The implication is that the knowledge and skills they develop by being involved in these tests will feed into their own classroom practices The book also considers the arguments against teacher involvement e.g. the contention that teacher involvement might entrench the practice of teaching to the test or that teachers should not be actively involved in high stakes language testing because their judgement is insufficiently reliable Using contributions from a wide range of international educational contexts the book proposes that a lack of reliability in teacher judgement is best addressed by means of training and not by barring educators from participating in high stakes language testing It also argues that their involvement in testing helps teachers to bolster confidence in their own judgement and develop their assessment literacy Moreover teacher involvement empowers them to play a role in reforming high stakes language testing so that it is more equitable and more likely to enhance classroom practices High stakes language tests that adopt such an inclusive approach facilitate more effective learning on the part of teachers which ultimately benefits all their students

Practice for Aptis Advanced John WORKMAN, Elsa MARÍA BEATO, 2020-08-13 This book is designed for anyone taking the British Council s Aptis Advanced test It is intended equally for teachers students in class and those studying alone There is advice for the exam in general and for each section covered in the book There are more than ninety exercises to help candidates prepare for the exam The questions follow in content and format those used in the actual exam The book also includes a useful section with phrases and words for the speaking and writing tasks All skills except for listening are covered grammar and vocabulary reading writing and speaking With answer key This edition incorporates some corrections to the Answers section of the August 2020 edition United Methodist, 1903 Aptis Speaking: Questions and Answers Juan Fernández, 2019-02-23 El objetivo que persigue este libro es ayudar al candidato a preparar la sección Speaking del Aptis En este libro encontrar s cinco modelos de exámenes de la sección Speaking del Aptis Cada modelo consta de sus cuatro secciones y cuenta con fotografías y el número de preguntas habituales para cada sección Estas preguntas han sido escogidas entre las más frecuentes en el Speaking del Aptis A dichas preguntas se les ha añadido sus correspondientes respuestas tipo para que el candidato pueda practicar y preparar su sección oral del Aptis lo mejor posible En las respuestas el candidato

puede hallar estructuras y vocabulario para elaborar por su cuenta otras posibles respuestas y desarrollar la creatividad e improvisación manteniendo el buen uso de la gramática y vocabulario. Tras la sección de exámenes se incluye una breve tabla con conectores para dar una estructura consistente al discurso del candidato. Siempre es recomendable evitar los conectores elementales y emplear en su lugar otros con los que demostrar un mayor nivel del Inglés. A veces prestamos atención a los conectores en la sección de Writing pero no recurrimos a ellos en las pruebas orales sin tener en cuenta que en ambas estamos tratando de articular un discurso y los conectores son bienvenidos y necesarios. La última sección es el Workbook y se compone de varias respuestas tomadas de algunos de los exámenes. En estas respuestas se han omitido varias partes con la intención de que el candidato ensaye otras posibles respuestas y las compare luego con la respuesta modelo.
