deteriorating marriage assumed names parallel lives and myriad Cold War menaces linger Drawing from CIA training manuals and pop culture references alike Healey s poetry is both intimate and claustrophobic In these poems the natural anxiety of childhood is compounded by the weight of both national and family secrets and Healey draws deep parallels between the shaky foundations of truth in his past and the paranoia and obfuscation that envelops our nation s present

The Official Senate Report on CIA Torture U.S. Senate Select Committee on Intelligence,2015-01-06 Now available to the public for the first time the Senate s landmark torture report delivers a damning indictment on CIA interrogation practices Finally declassified and released after five years in the making the Senate Intelligence Committee s report on the CIA s torture program which describes in excruciating detail what Obama has called harsh methods inconsistent with our values as a nation is now available to the American public citizens who have a right to know the truth Considered one of the most important government documents ever to be published the torture report compiles the Senate committee s findings of the CIA s program to detain and interrogate terrorist threats in the aftermath of the September 11 attacks from 2001 to 2006 during the Bush administration Among other controversial conclusions the report has found that the CIA s enhanced interrogation techniques were not effective in acquiring intelligence to avert terrorist threats The study also shows that the CIA misled the public Congress the Department of Justice and even the White House on the effectiveness and the scope and severity of their interrogation techniques The exhaustive and disturbing account also provides grisly accounts on horrific practices that occurred in CIA black sites prisoners experienced sleep deprivation in stressful positions for up to 180 hours being stripped and shackled hooded and dragged down a long corridor while being punched waterboarding and rectal feeding Based on six million CIA documents and requiring 40 million to complete the entire 6 000 page report still remains classified Only 525 pages of summary have been published with 7 percent of its content redacted and it is now at the disposal of American readers who have the opportunity to learn what occurred during this dark chapter in modern American history The Senate report delivers a scathing shocking and controversial judgment and gives us much to think about in terms of our longstanding position on freedom democracy dignity and human rights

A Question of Torture Alfred McCoy,2007-04-01 A startling expos of the CIA s development and spread of psychological torture from the Cold War to Abu Ghraib and beyond In this revelatory account of the CIA s secret fifty year effort to develop new forms of torture historian Alfred W McCoy uncovers the deep disturbing roots of recent scandals at Abu Ghraib and Guant namo Far from aberrations as the White House has claimed *A Question of Torture* shows that these abuses are the product of a long standing covert program of interrogation Developed at the cost of billions of dollars the CIA s method combined sensory deprivation and self inflicted pain to create a revolutionary psychological approach the first innovation in torture in centuries The simple techniques involving isolation hooding hours of standing extremes of hot and cold and manipulation of time constitute an all out assault on the victim s senses destroying the basis of personal identity McCoy follows the years of research which he reveals

compromised universities and the U S Army and the method s dissemination from Vietnam through Iran to Central America He traces how after 9 11 torture became Washington s weapon of choice in both the CIA s global prisons and in torture friendly countries to which detainees are dispatched Finally McCoy argues that information extracted by coercion is worthless making a case for the legal approach favored by the FBI Scrupulously documented and grippingly told *A Question of Torture* is a devastating indictment of inhumane practices that have spread throughout the intelligence system damaging American s laws military and international standing *Iraq and the Lessons of Vietnam* Lloyd C.
