De Bellis Antiquitatis Version 3.0 Phil Barker, Sue Laflin-Barker, 2018-07-05 DBA Version 3 0 updates the highly successful De Bellis Antiquitatis wargame rules for recreating ancient and medieval battles with miniature figures The brainchild of well known wargame designer Phil Barker and his wife Sue Laflin Barker the simple DBA rule system combines fast play play with historical realism to produce a visually realistic and exciting contest **Pillars in the History of**

Biblical Interpretation, Volume 2 Stanley E. Porter, Sean A. Adams, 2016-11-03 This two volume set is part of a growing body of literature concerned with the history of biblical interpretation The ample introduction first situates key players in the story of the development of the major strands of biblical interpretation since the Enlightenment identifying how different theoretical and methodological approaches are related to each other and describing the academic environment in which they emerged and developed Volume 1 contains fourteen essays on twenty two interpreters who were principally active before 1980 and volume 2 has nineteen essays on twenty seven of those who were active primarily after this date Each chapter provides a brief biography of one or more scholars as well as a detailed description of their major contributions to the field This is followed by an often new application of the scholar s theory By focusing on the individual scholars and their work the book recognizes that interpretive approaches arise out of certain circumstances and that scholars are influenced by and have influences upon both other interpreters and the times in which they live This set is ideal for any class on the history of biblical interpretation and for those who want a greater understanding of how the current field of biblical studies developed

Democratic Republic of Congo ,2006 **The Letter of Aristeas** Benjamin G. Wright,2015-09-25 The Letter of Aristeas has been an object modern scholarly interest since the seventeenth century It is best known for containing the earliest version of the translation of the Hebrew Law into Greek and this story accounts for much of the scholarly attention paid to the work Yet this legend only takes up a small percentage of the work Looking at Aristeas as a whole the work reveals an author who has acquired a Greek education and employs both Jewish and Greek sources in his work and he has produced a Greek book Even though Aristeas has garnered scholarly attention no fully fledged commentary has been written on it The works of R Tramontano M Hadas and others often referred to as commentaries only contain text and annotated notes This volume fills the gap in the scholarship on Aristeas by providing a full paragraph by paragraph commentary containing a new translation text critical notes general commentary and notes on specific words phrases and ideas Index to Periodical Articles in the Library of the Royal Institute of International Affairs, 1973-1978 Royal Institute of International Affairs.
