

Molly Sweeney

**Jessica J Manson**

## **Molly Sweeney:**

**Molly Sweeney** Brian Friel, 1995-11 Three characters all on stage throughout speak directly to the audience giving three points of view to the same story Molly blind since infancy tells of her world before an operation to try to restore her sight Her husband itinerant champion of good causes talks of his passion to help her Her once famous eye surgeon now a whisky sodden recluse in Donegal sees the operation as his chance to reclaim his reputation Molly Sweeney Canadian Stage Theatre Archives (University of Guelph), Grand Theatre Collection (University of Guelph), A. Janson, Miles Potter, Brian Friel, Canadian Stage Theatre, Grand Theatre, CentreStage Theatre, Toronto Free Theatre, 1998 Irish Repertory Theatre: Celebrating Thirty-Five Years Off-Broadway Maria Szasz, 2024-04-05 The Irish Repertory Theatre Celebrating Thirty Five Years Off Broadway is the first book length history of the multi award winning Off Broadway Irish Repertory Theatre Company from its beginning in 1988 to its thirty fifth season in 2023 The book considers how the Irish Rep's plays and musicals reflect the Irish diaspora the relationship between Ireland and America and what it means to be Irish and Irish American both historically and in the twenty first century including how the Irish Rep is showcasing more diverse voices and experiences from women the LGBTQIA community and Irish and Irish American people of color **The Theatre of Brian Friel** Christopher Murray, 2014-04-24 A Critical Companion to the theatre of Ireland's foremost living playwright whose work spans fifty years and has won numerous awards including three Tonys and a Lifetime Achievement Arts Award Christopher Murray's study is the definitive guide to Brian Friel's work for students and theatre goers alike *Stages of Struggle* John Louis DiGaetani, 2015-01-27 One way or another all playwrights use their work to explore the issues that interest them The characters in a play may trumpet their creator's political views from the stage or an unusual structure or set design may result from the playwright's interest in theatrical form It is also common particularly in the plays of the 20th and 21st century to see a playwright delving into psychological issues raised by his own mental struggles or those of people he loves Luigi Pirandello tormented by the schizophrenia of his wife and other family members repeatedly explored the problems caused by different visions of reality Noel Coward's self obsessed characters reflect his own narcissism Alcoholism is a recurrent theme in the works of many playwrights including Eugene O'Neill Edward Albee and Brian Friel Through their exploration of these issues and more the great writers of the theater have turned suffering into art This book looks at the work of 20 playwrights to see how their examination of the disturbed mind has influenced the modern theater Brian Friel Geraldine Higgins, 2010 This book offers a critical examination of Friel's dramatic writing both within the context of Irish storytelling and considering his crucial position as a writer from the north of Ireland negotiating between the responsibilities of art and the demands of violent conflict **New York Magazine**, 1996-01-22 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the

magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea Molly Sweeney Brian Friel, Ingrid Rechner, 1995 Toward an Aesthetics of Blindness David Feeney, 2007 Blindness has always fascinated those who can see Although modern imaginative portrayals of the sightless experience are increasingly positive the affirmative elements of these renderings are inevitably tempered and problematized by the visual predilections of the artists undertaking them This book explores a variety of the discontinuities between depictions of the sightless experience of beauty by sighted artists and the lived aesthetic experiences of blind people It does so by pressing a radical interdisciplinary reinterpretation of celebrated dramatic portrayals of blindness into service as a tool with which to probe the boundaries of the capacities of the sighted imagination while exploring the sensory detriment of our visually fixated notions of beauty Works by J M Synge W B Yeats and Brian Friel are explored as a means of crafting a workable and innovative medium of theoretical and experiential exchange between the disciplines of literature aesthetics and disability studies In addition to appraising previously unexamined aspects of the work of three of Ireland's most celebrated modern dramatists this book considers the consequences for blind people of the exclusionary and prohibitive elements of traditional aesthetic theory and art education The insights yielded will be of value to those with an interest in modern literature differential aesthetics visual culture perception and the experience of blindness

Molly Sweeney Ingrid Rechner, 1996 *Theater Week*, 1996 **The Best Plays of 1995-1996** Otis L. Guernsey Jr., Jeffrey Sweet, 1996-12-01 *The Best Plays of ...*, 1995 **Molly Sweeney**, **Molly Sweeney - Brian Friel** Cezary Niedziółka, 1998 **Brian Friel's (Post) Colonial Drama** F. C. McGrath, 1999-12 Brian Friel is Ireland's most important living playwright and this book places him in the new canon of postcolonial writers Drawing on the theory and techniques of the major postcolonial critics F. C. McGrath offers fresh interpretations of Friel's texts and of his place in the tradition of linguistic idealism in Irish literature This idealism has dominated Ireland's still incomplete emergence from its colonial past It appeals to Irish writers like Friel who following in a line from Yeats Synge and O'Casey challenge British culture with antirealist devices to create alternative worlds histories and new identities to escape stereotypes imposed by the colonizers Friel grew up in Northern Ireland's Catholic minority and now lives in the Irish Republic McGrath maintains that all Friel's work is marked by colonial and postcolonial structures Like his predecessor Wilde Friel mixes lies facts memories and individual perception to create new myths and elevates blarney to a realm of aesthetic and philosophical distinction An important accessible scholarly introduction this book illustrates how Friel playfully subverts the English language and transcends British influence Friel's reality is constructed from personal fiction and it is his liberating response to oppression **The Pittsburgh Chapter, American Red Cross** American Red Cross. Pittsburgh Chapter, 1922 *Irish America*, 1996 **Molly Sweeney** Barbara Herold, Brian Friel, Detlef Altenbeck, Klaus Emmerich, Peter Hailer, Yoshi Oida, Andreas Schäfer, Felix Benesch, Fred Berndt, Stadttheater (Ingolstadt), Ingrid Rechner, Renaissance-Theater

(Berlin), Bayerisches Staatsschauspiel (München), Thalia-Theater (Hamburg), Theater (Schweinfurt), Düsseldorfer Schauspielhaus, 1996     **Treasury...** Anthony Charles Deane, 1903

This Captivating Realm of E-book Books: A Comprehensive Guide Unveiling the Pros of Kindle Books: A Realm of Convenience and Versatility Kindle books, with their inherent mobility and simplicity of availability, have freed readers from the constraints of physical books. Gone are the days of lugging cumbersome novels or carefully searching for particular titles in bookstores. Kindle devices, sleek and lightweight, effortlessly store an extensive library of books, allowing readers to indulge in their preferred reads anytime, everywhere. Whether commuting on a busy train, lounging on a sunny beach, or simply cozying up in bed, Kindle books provide an unparalleled level of convenience.
