18

Summary

CHAPTERS IN BRIEF

The Muslim World Expands, 1300–1700

CHAPTER OVERVIEW A group of Turks called Ottomans set up a new empire in what is now modern Turkey. Farther to the east, the Safavid Empire arose in modern Iran, where rulers embraced a special type of Islam that made them different from their neighbors. Meanwhile, India saw the rise of yet another empire as Muslims created a powerful state there.

● The Ottomans Build a Vast Empire

KEY IDEA The Ottomans established a Muslim Empire that combined many cultures and lasted for more than 600 years.

In 1300, the world of the eastern Mediterranean was seeing changes. The Byzantine Empire was fading. The Seljuk Turk state had been destroyed by the Mongols. Anatolia, the area of modern Turkey, was now inhabited by groups of nomadic Turks. They saw themselves as *ghazis*, or warriors for Islam. They formed military groups and raided the lands where non-Muslims lived.

The most successful *ghazi* was Osman. Western Europeans took his name to be *Othman* and called his followers *Ottomans*. Between 1300 and 1326, Osman built a strong but small kingdom in Anatolia. Leaders who came after Osman called themselves *sultans*, or “ones with power.” They extended the kingdom by buying land, forming alliances with other chieftains, and conquering everyone they could. The military success of the Ottomans was aided by gunpowder—especially as used in cannons.

The Ottomans ruled kindly through local officials appointed by the sultan. Muslims had to serve in the army but paid no taxes. Non-Muslims paid the tax but did not have to serve in the army. Many joined Islam simply to avoid the tax. Most people in their empire adjusted quickly to their easy rule.

One warrior did not. Timur the Lame, called Tamerlane in the west, arose in central Asia. He claimed to be descended from Genghis Khan. The claim probably is not true—but he was as fierce as the Mongol conqueror. He conquered Russia and Persia, where he burned the city of Baghdad to the ground. In 1402, he defeated the Ottomans in battle and captured the sultan. Timur died three years later on his way to conquer China.

Back in Anatolia, the four sons of the last sultan fought for control of the empire. Mehmed I won

control, and his son and the four following sultans brought the Ottoman Empire to its greatest power. One of them—Mehmed II—took power in 1451 and captured Constantinople. At first, his ships were unable to sail near the city because barriers blocked the way. So he had his soldiers drag the ships over hills so they could be launched on another side of Constantinople. After several weeks of fighting, the Ottoman force was simply too strong for the tiny army left in the city. In 1453, Constantinople finally fell to the Ottomans. Mehmed made the city his capital, which was renamed Istanbul. The famous and beautiful church of the Hagia Sophia became a mosque. The rebuilt city became home to people from all over the Ottoman Empire.

Other emperors used conquest to make the empire grow. After 1514, Selim the Grim took Persia, Syria, and Palestine. He then captured Arabia, took the Muslim holy cities of Medina and Mecca, and gained control of Egypt.

His son, Suleyman I, brought the Ottoman Empire to its greatest size and most impressive achievements. He conquered parts of southeastern Europe by 1525. He won control of the entire eastern Mediterranean Sea and took North Africa as far west as Tripoli. Although he was defeated in a battle for Vienna in 1529, his Ottoman Empire remained huge.

Suleyman ruled his empire with a highly structured government. Serving the royal family and the government were thousands of slaves. Among them was an elite group of soldiers called *janissaries*. They were Christians taken as children and made slaves with personal loyalty to the sultan. They were trained as soldiers and fought fiercely for the sultan. Other slaves held important government jobs. The empire allowed people to follow their own religion. Jews and Christians were not mistreated by the Ottomans. Suleyman revised the laws of the empire, which won him the name *Suleyman the Lawgiver*. Suleyman also oversaw an empire that

Muslim World Expands Chapter Test Answer Introduction

In the digital age, access to information has become easier than ever before. The ability to download Muslim World Expands Chapter Test Answer has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Muslim World Expands Chapter Test Answer has opened up a world of possibilities. Downloading Muslim World Expands Chapter Test Answer provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Muslim World Expands Chapter Test Answer has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Muslim World Expands Chapter Test Answer. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Muslim World Expands Chapter Test Answer. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Muslim World Expands Chapter Test Answer, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves,

individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Muslim World Expands Chapter Test Answer has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Muslim World Expands Chapter Test Answer Books

1. Where can I buy Muslim World Expands Chapter Test Answer books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
