

Select Question from Nebosh Paper

Task 1: Justifying health and safety improvements

- 1 What financial arguments could you use to justify your proposed recommendations to segregate FLT's and the workers? (10)

Note: You should support your answer, where applicable, using relevant information from the scenario.

Task 2: Checking management system effectiveness

- 2 You email a report to the overall Store and Warehouse Manager, in a further attempt to convince them that safety needs improving. The report contains unsafe behaviour that you have observed, unsafe behaviour associated with historic incidents and unsafe behaviour relayed to you from other workers. Also, the report contains voluntary feedback on safety given to you by workers and managers.

Based on the scenario only

- (a) what unsafe behaviour would be included in the report? (6)
(b) what voluntary feedback would be included in the report? (4)

Task 3: Managing contractors

- 3 Site management have accepted your proposed health and safety improvement solution to segregate FLT's and the workers. They have made the budget available. The organisation intends to use external contractors for the work.

When selecting the external contractors, what would you consider when assessing their competence?

(10)

Task 4: Working within a health and safety management system

- 4 To satisfy the expectations of the Inspector, you have developed a formal safety management system in line with ISO 45001.

Based on the scenario only, what are the likely benefits to the organisation of having this formal safety management system?

(10)

Task 5: Influencing health and safety culture

- 5 To improve performance in the organisation, you know that you need to positively influence health and safety culture. You feel the culture at the warehouse is currently negative.
