Finding You Marc Levy,2012-06-01T00:00:00Z He strove for an ideal love She simply loved him When they were growing up Susan and Philip meant everything to each other In the spirited optimism of their youth they swore that they would love each other forever even if their lives forced them apart She had plans to fight poverty in Central America while he would try to make it in Manhattan Philip made a promise whatever happened to Susan he would always be there for her Little did he know that this promise would transform his life that keeping it would mean opening his heart to an unwanted stranger to someone who would first shatter his world but would ultimately bring everything together In a fast paced and masterfully woven story where nothing turns out as expected in a tale that takes you from the eye of a hurricane to the depths of a soul insightful and moving Marc Levy pays tribute to the triumph of love A great love story that unravels between New York and Honduras so enjoyable that you can t help but read it all in one go Elle **Annals of Real Estate Practice** ,1924 Annals for
