**The Social Business Imperative** Clara Shih, 2016-03-25 Social media is now the dominant online activity and drives more website traffic than online search The implications for businesses are as profound as the rise of Google 15 years ago Amidst the demands of running a business it can be alluring to fully delegate digital to the digital team But in today s wired environment digital is actually everyone s job Company leaders and professionals must seek to personally grasp the tectonic changes arising from the always connected customer and then rethink traditional business models business practices and even their own job responsibilities and careers accordingly In *The Social Business Imperative* Silicon Valley entrepreneur and renowned thought leader Clara Shih identifies powerful new opportunities created by social media across the entire customer lifecycle As described in the book s foreword written by Starbucks Chairman and CEO Howard Schultz this guide is a must read for all

professionals From boards of directors CEOs and Chief Marketing Officers to front line sales managers recruiters IT and compliance directors no role is untouched by the social mobile digital transformation This book explains how to adapt and thrive in this brilliant new world order by understanding the transformation taking place not only in one s own department but across the customer journey Only with this broader understanding can functional leaders collaborate on delivering a cohesive experience spanning previous organizational silos Going far beyond her global bestseller *The Facebook Era* Shih offers unprecedented insights into why and how traditional organizations must re imagine their existing business processes to capture the digital last mile across social mobile messaging apps Internet of Everything and the collaborative economy Drawing on her immense experience helping Fortune 500 companies operationalize digital transformation to drive measurable uplift in sales and loyalty Shih also presents powerful new case studies spanning multiple industries and companies from Wells Fargo to Warby Parker A book worth reading a voice worth listening to from a leader of real consequence A clarion call on the promise and potential of social channels to transform business Walter Robb Co CEO Whole Foods Market This is a must read for any business leader who wants to thrive in this time of disruptive change Chip Bergh President CEO Levi Strauss Co Whether you re a global brand small local business or individual who wants to turn your passion into a livelihood this book simply and clearly articulates how to channel the power of social media to delight audiences and grow your business Marne Levine COO of Instagram Almost overnight social media has transformed business and the way we as companies interact with our customers In a way social media has become part of everyone s job Clara s book gets right to the heart of the matter and gets us thinking critically about what could be next on this roller coaster ride Robin Hayes President and CEO JetBlue The power of Clara s book is it highlights not only social media practices but fundamental business practices and how company leaders need to entirely rethink customer engagement models The implications for every business regardless of industry or geography of today s social connected consumer cannot be overstated This book provides a powerful vision and compelling call to action for company leaders everywhere Ted Mathas Chairman and CEO New York Life

*The M-Factor* Lynne C. Lancaster, David Stillman, 2010-04-06 From Lynne C Lancaster and David Stillman the nationally recognized generational experts and authors of *When Generations Collide* comes the definitive guide to Millennials those born between 1982 and 2000 in the workplace what they want how they think and how to unlock their talents to your organization s advantage If you enjoyed the insights in *It s Okay to Be the Boss* you need to read *The M Factor* destined to become the business book on this Millennial generation in the workplace

**Examining Millennials Reshaping Organizational Cultures** Ahmet Atay, Mary Z. Ashlock, 2018-12-03 In *From Theory to Practice Examining Millennials Reshaping Organizational Cultures* contributors to the collection focus on several interrelated issues They examine the ways in which the members of the millennial generation influence how we work and communicate with our millennial students colleagues and employees They also elaborate on how to create work life balance for the members of the

millennial generation and explore ways in which millennials can be open and responsive to others in a society who don't necessarily share the values, political views or desires of the millennial generation nor the ways in which they prefer to communicate. This collection engages in a scholarly dialogue about millennials and how their actions within the workplace and needs within organizational cultures and everyday performances influence our communication with them. With equal importance, it addresses the question of how millennials can become more adaptable in their communication with others in society, especially within organizations with different generations or cultures that may or may not communicate the way they do. Contributors suggest that the millennial culture should be carefully studied by employers, instructors, and researchers to create a better workplace experience and to also improve the level of communication among different generations in the workplace.

**Multipliers, Revised and Updated** Liz Wiseman, 2017-05-16 A revised and updated edition of the acclaimed Wall Street Journal bestseller that explores why some leaders drain capability and intelligence from their teams while others amplify it to produce better results. We've all had experience with two dramatically different types of leaders. The first type drains intelligence, energy, and capability from the people around them and always needs to be the smartest person in the room. These are the idea killers, the energy sappers, the diminishers of talent and commitment. On the other side of the spectrum are leaders who use their intelligence to amplify the smarts and capabilities of the people around them. When these leaders walk into a room, light bulbs go off over people's heads, ideas flow, and problems get solved. These are the leaders who inspire employees to stretch themselves to deliver results that surpass expectations. These are the Multipliers. And the world needs more of them, especially now when leaders are expected to do more with less. In this engaging and highly practical book, leadership expert Liz Wiseman explores these two leadership styles persuasively, showing how Multipliers can have a resoundingly positive and profitable effect on organizations, getting more done with fewer resources, developing and attracting talent, and cultivating new ideas and energy to drive organizational change and innovation. In analyzing data from more than 150 leaders, Wiseman has identified five disciplines that distinguish Multipliers from Diminishers. These five disciplines are not based on innate talent; indeed, they are skills and practices that everyone can learn to use, even lifelong and recalcitrant Diminishers. Lively real-world case studies and practical tips and techniques bring to life each of these principles, showing you how to become a Multiplier, too, whether you are a new or an experienced manager. This revered classic has been updated with new examples of Multipliers, as well as two new chapters: one on accidental Diminishers and one on how to deal with Diminishers. Just imagine what you could accomplish if you could harness all the energy and intelligence around you. Multipliers will show you how.

[What Millennials Want from Work: How to Maximize Engagement in Today's Workforce](#) Alec Levenson, Jennifer J. Deal, 2016-01-01 The most comprehensive in-depth look at Millennials to date, essential for managers, HR professionals, and global business leaders seeking to align long-term organizational goals with the realities of the new workforce. Millennials

have been burdened with a reputation as spoiled lazy and entitled but the reality behind the stereotype is far richer and more complex Who are Millennials and what do they really want Based on fieldwork and survey data from global research on more than 25 000 Millennials and 29 000 older workers in 22 countries this book paints a comprehensive scientifically accurate picture of what really motivates Millennials around the world Learn how to get the most from Millennials by Improving workplace flexibility because Millennials don't separate life and work Providing adequate support and feedback because Millennials like to learn and grow Coaching not micromanaging because Millennials value autonomy Designing competitive salary structures because Millennials know what's up Providing opportunities to contribute to society because Millennials care about doing good Millennials want a satisfying job that pays well coworkers they like and trust advancement opportunities and the occasional pat on the back Who doesn't want those things This essential book explains who Millennials really are and offers practical advice to help those who manage lead and work with Millennials to improve teamwork increase productivity strengthen organizational culture and build a robust talent pipeline Jennifer J Deal is a senior research scientist at the Center for Creative Leadership and an affiliated research scientist at the Center for Effective Organizations at the University of Southern California Alec Levenson is a senior research scientist at the Center for Effective Organizations at the Marshall School of Business at the University of Southern California

*Upstarts!: How GenY Entrepreneurs are Rocking the World of Business and 8 Ways You Can Profit from Their Success* Donna Fenn, 2009-09-08 They're young they're brash they're smart and they're 77 million strong Generation Y is creating startups at an unprecedented rate and their approach to business is unlike anything you've seen The generation described by the media as spoiled entitled even narcissistic is proving these notions false every day Inspired by the rock star entrepreneurs of previous generations and driven by a burning desire to control their own destinies GenY is rewriting the entrepreneurial playbook one cool startup at a time Inc magazine writer Donna Fenn interviewed more than 150 young CEOs to learn what makes them tick While upstarts are motivated by similar aspirations of past generations their way of doing business is radically different and it's changing the way everyone must do business now Upstarts examines and analyzes this entrepreneurial revolution to reveal eight critical lessons every entrepreneur and marketer must learn Fenn describes a generation of entrepreneurs that is highly collaborative and team oriented It's quick and alert when it comes to new technologies It's hell bent on changing the world And it's totally impatient with outmoded business models The sooner you adapt to the new way of business the greater chance you have to grow and profit in the years ahead Upstarts provides key insight into Building collaborative tribes Deploying technology to your competitive advantage Disrupting the status quo Deconstructing the GenY market Generating branding buzz Adopting a social mission Inventing the workplace of the future Reinventing your company Misreading GenY companies could be the biggest business mistake you ever make This forward looking book serves both as a heads up to the far reaching changes coming your way and as a detailed guide to meeting the resulting challenges The upstarts are here to stay Are you

**Managing Millennials** Jacqueline Cripps, 2023-11-06 Leadership Engagement Retention Recruitment Diversity The key challenges facing workplaces today Underpinning these challenges are the millennial workforce A generation who are experiencing global challenges like the economic crisis debt job insecurity and housing unaffordability A generation who are experiencing personal challenges like social media addictions pressure and mental health crisis A generation who has been put in the too hard basket by a lot of workplaces A generation who are soon to become the dominant global workforce To future proof workplace performance and engagement workplaces must act Getting the best out of the millennial workforce means creating an environment where they can thrive Critical to this is good management and leadership Without it workplaces will not resolve the current challenges This book provides a solution It s designed to educate readers on the current and future millennial workforce who they are what they want what they need and how to get the best out of them It offers clear cut guidance and best practice techniques for both managers and millennials as they continue to navigate the current and future landscape of work
