Camus Albert Strainul:

The Stranger Albert Camus,2012-08-08 With the intrigue of a psychological thriller *The Stranger* Camus's masterpiece gives us the story of an ordinary man unwittingly drawn into a senseless murder on an Algerian beach With an Introduction by Peter Dunwoodie translated by Matthew Ward Behind the subterfuge Camus explores what he termed the nakedness of man faced with the absurd and describes the condition of reckless alienation and spiritual exhaustion that characterized so much of twentieth century life *The Stranger* is a strikingly modern text and Matthew Ward's translation will enable readers to appreciate why Camus's stoical anti hero and devious narrator remains one of the key expressions of a postwar Western malaise and one of the cleverest exponents of a literature of ambiguity from the Introduction by Peter Dunwoodie First published in 1946 now in translation by Matthew Ward

The Outsider Albert Camus,2010-11-23 *The Outsider* is an enduring classic of existential writing by Albert Camus Mother died today Or maybe yesterday I don't know Meursault is different He will not lie He will not pretend He is true to himself So when his mother dies and he is unmoved he refuses to do the proper thing and grieve Returning to Algiers after the funeral he carries on life as usual until he becomes involved in a violent murder In court it is clear that Meursault's guilt or innocence will not be determined by what he did or did not do He is on trial for being different an outsider The story of a beach murder one of the century's classic novels *Blood and sand* J G Ballard A compelling dreamlike fable *Guardian* Albert Camus was born in Algeria in 1913 He studied philosophy in Algiers and then worked in Paris as a journalist He was one of the intellectual leaders of the Resistance movement and after the War established his international reputation as a writer His books include *The Plague* *The Just* and *The Fall* and he won the Nobel Prize for Literature in 1957 Camus was killed in a road accident in 1960

The Rebel Albert Camus,1992-01-01 By one of the most profoundly influential thinkers of our century *The Rebel* is a classic essay on revolution that resonates as an ardent eloquent and supremely rational voice of conscience for our tumultuous times For Albert Camus the urge to revolt is one of the essential dimensions of human nature manifested in man's timeless Promethean struggle against the conditions of his existence as well as the popular uprisings against established orders throughout history And yet with an eye toward the French Revolution and its regicides and deicides he shows how inevitably the course of revolution leads to tyranny Translated from the French by Anthony Bower

[The Outsider](#) Albert Camus,2000 Meursault leads a bachelor life until he commits a random act of violence His lack of emotion and failure to show remorse serve to increase his guilt in the eyes of the law This novel explores the predicament of the individual who refuses to pretend and is prepared to face the indifference of the universe courageously and alone

The Stranger (English Edition) Albert Camus,2016-02-20 *The Outsider* or *The Stranger* French *L'Etranger* is a novel by Albert Camus published in 1942 Its theme and outlook are often cited as exemplars of Camus's philosophy of the absurd and existentialism though Camus personally rejected the latter label The titular character is Meursault an indifferent French Algerian a citizen of France domiciled in North Africa a man of the

Mediterranean an homme du midi yet one who hardly partakes of the traditional Mediterranean culture who after attending his mother's funeral apathetically kills an Arab man whom he recognises in French Algiers The story is divided into two parts presenting Meursault's first person narrative view before and after the murder respectively In January 1955 Camus wrote I summarized *The Stranger* a long time ago with a remark I admit was highly paradoxical In our society any man who does not weep at his mother's funeral runs the risk of being sentenced to death I only meant that the hero of my book is condemned because he does not play the game

Outsider, 1997-06-01 *The Stranger (Novel)* Albert Camus, 2016-04-19 is a novel by Albert Camus published in 1942 Its theme and outlook are often cited as exemplars of Camus's philosophy of the absurd and existentialism though Camus personally rejected the latter label

The Rebel Albert Camus, 1978 By one of the most profoundly influential thinkers of our century *The Rebel* is a classic essay on revolution For Albert Camus the urge to revolt is one of the essential dimensions of human nature manifested in man's timeless Promethean struggle against the conditions of his existence as well as the popular uprisings against established orders throughout history And yet with an eye toward the French Revolution and its regicides and deicides he shows how inevitably the course of revolution leads to tyranny As old regimes throughout the world collapse *The Rebel* resonates as an ardent eloquent and supremely rational voice of conscience for our tumultuous times Translated from the French by Anthony Bower

Lyrical and Critical Essays Albert Camus, 2012-10-31 Edited by Philip Thody translated by Ellen Conroy Kennedy Here now for the first time in a complete English translation we have Camus three little volumes of essays plus a selection of his critical comments on literature and his own place in it As might be expected the main interest of these writings is that they illuminate new facets of his usual subject matter *The New York Times Book Review* a new single work for American readers that stands among the very finest *The Nation*

The Stranger Albert Camus, 1989-01 An ordinary man is unwittingly caught up in a senseless murder in Algeria

Resistance, Rebellion, and Death Albert Camus, 1961 Essays selected by the author from his *Actuelles* and other works

Albert Camus's *The Stranger* Peter Francev, 2014-06-26 Often marginalised on the sidelines of both philosophy and literature the works of Albert Camus have in recent years undergone a renaissance While most readers in either discipline claim Camus and his works to be theirs the scholars presented in this volume tend to see him and his works in both philosophy and literature This volume is a collection of critical essays by an international menagerie of Camus experts who despite their interpretive differences see Camus through both lenses For them he is a novelist essayist who embodies a philosophy that was never fully developed due to his brief life The essays here examine Camus's first published novel *The Stranger* from a variety of critical and theoretical perspectives each drawing on the author's knowledge to present the first known critical examination in English As such this volume will shed new light on previous scholarship

The Stranger Albert Camus Albert Camus, 2021-12-29 *The Stranger* Albert Camus The day his mother dies Meursault notices that it is very hot on the bus that is taking him from Algiers to the retirement home where his mother lived so hot that he falls asleep Later

while waiting for the wake to begin the harsh electric lights in the room make him extremely uncomfortable so he gratefully accepts the coffee the caretaker offers him and smokes a cigarette The same burning sun that so oppresses him during the funeral walk will once again blind the calm reserved Meursault as he walks along a deserted beach a few days later leading him to commit an irreparable act This new edition of Camus's classic novel *The Stranger* portrays an enigmatic man who commits a senseless crime and then calmly and apparently indifferently sits through his trial and hears himself condemned to death

The stranger Albert Camus, 1989 *The Stranger by Albert Camus* Albert Camus, 1942 *The Stranger* French L. tranger also published in English as *The Outsider* is a 1942 novella by French author Albert Camus Its theme and outlook are often cited as examples of Camus philosophy absurdism coupled with existentialism though Camus personally rejected the latter label The title character is Meursault an indifferent French settler in Algeria described as a citizen of France domiciled in North Africa a man of the Mediterranean an *homme du midi* yet one who hardly partakes of the traditional Mediterranean culture Weeks after his mother's funeral he kills an Arab man in French Algiers who was involved in a conflict with one of Meursault's neighbors Meursault is tried and sentenced to death The story is divided into two parts presenting Meursault's first person narrative view before and after the murder respectively Meursault learns of the death of his mother who has been living in an old age home in the country He takes time off from work to attend her funeral but he shows no signs of grief or mourning that the people around him expect from someone in his situation When asked if he wishes to view her body he declines and he smokes and drinks regular white coffee not the obligatory black coffee at the vigil held by his mother's coffin the night before the burial Most of his comments to the reader at this time are about his observations of the aged attendees at the vigil and funeral which takes place on an unbearably hot day Back in Algiers Meursault encounters Marie a former secretary of his firm The two become reacquainted swim together watch a comedy film and begin to have an intimate relationship All of this happens on the day after his mother's funeral Over the next few days Meursault helps Raymond Sint's a neighbor and friend who is rumored to be a pimp but says he works in a warehouse to get revenge on a Moorish girlfriend he suspects has been accepting gifts and money from another man Raymond asks Meursault to write a letter inviting the girl over to Raymond's apartment solely so that he can have sex with her and then spit in her face and throw her out While he listens to Raymond Meursault is characteristically unfazed by any feelings of empathy so he does not express concern that Raymond's girlfriend would be emotionally hurt by this plan and agrees to write the letter In general Meursault considers other people either interesting or annoying or feels nothing for them at all Raymond's girlfriend visits him on a Sunday morning and the police get involved when he beats her for slapping him after he tries to kick her out He asks Meursault to testify that the girlfriend had been unfaithful when he is called to the police station to which Meursault agrees Ultimately Raymond is let off with a warning
