Of Introduction To Business Management 9th Edition:

Entrepreneurship & Small Business Management in the Hospitality Industry Darren Lee-Ross, Conrad Lashley, 2010-05-04 Explores both entrepreneurial theory and practice applied to the tourism and hospitality industry by investigating some key theoretical concepts and grounding them in practical real life scenarios Moves back and forth between strategy and operations to illustrate the link between the two areas and explain how both perspectives are necessary for entrepreneurial success Creates an enthusiasm about the field by not only discussing some of the major challenges and opportunities but by providing the knowledge and skills required to start a small business and drastically improve the chances of sustaining it successfully

Management Luke Ike, 2016-02-29 This book produces a clear and concise introduction to principles and techniques of management as required by practicing managers and those in colleges and universities who are aspiring to be managers

Small Business Management in Developing Countries Luke Ike, 2018-06-13 This book aims at making a contribution to the promotion of small businesses in developing countries It does so by helping to identify management problems encountered by small businesses in developing countries with reference to policy environment institutional framework and UNIDO technical assistance The result is aimed at providing a good information base on how small business management and performance in developing countries can be improved This is for individuals who are already involved with small businesses and those interested in it
