Life and the Sudden Death of Salt Peter Peter Jenvay,2021-03-25 There comes a time when prudent and meaningful planning and preparation can become excessive and evolve into an impediment much like an anchor keeping one in place Almost always adventure requires a submission to uncertainty and abandon of the pursuit of omniscience taking at least to a significant degree that leaps into the unknown Such was the case of Salt Peter and her skipper for the duration of a year in the Pacific Originally pursuing a circumnavigation the journey took the author and his vessel on a seven thousand mile voyage to Hawaii Tonga Fiji and finally to New Caledonia where Salt Peter met her end It was a journey of discovery both physically and spiritually with a range of experience to last a lifetime I invite you to join me on this year long adventure and experience with me an honest uncomplicated and enriching interaction with the seemingly endless ocean and volatile sky and discover with me the rewards of taking a chance
