Le Calvaire Octave Mirbeau, 1995 Mintie's progress through life is a descent into Hell a plumbing of the lower depths the martyrdom of a godless man in a godless age The publication of *Le Calvaire* in 1886 marked a brilliant beginning for the Angry Young Man of the Age who went on to flay the Establishment in *Torture Garden* and *The Diary of a Chambermaid*

The Holy Place Henry Lincoln, 2012-08 From the coauthor of *Holy Blood Holy Grail* a basis for *The Da Vinci Code* comes a deeper exploration of the secrets of Rennes le Chateau In 1982 Henry Lincoln along with colleagues Michael Baigent and Richard Leigh published *Holy Blood Holy Grail* which became an immediate international bestseller It investigated Rennes le Chateau a small town in France where in the late nineteenth century Benger Sauniere's discovery of a series of parchments led in turn to a large but cursed treasure that challenged many traditional Christian beliefs including the possibility that Jesus's bloodline still exists The treasure's story moved back through history to the Crusades the origins of the Knights Templar and the Virgin Birth itself While Baigent and Leigh have moved on to different subjects Lincoln has continued to pursue the mysteries of Rennes le Chateau Dan Brown's international bestseller *The Da Vinci Code* based on *Holy Blood Holy Grail* reignited curiosity about this ancient powerful town In *The Holy Place* Lincoln reveals through further surveys decoding and analysis that this area in southwest France is the site of a vast megalithic Christian masterpiece a holy place of enormous size and importance

The Vincentians: A General History of the Congregation of the Mission John E. Rybolt, The French Revolution nearly destroyed the Vincentians in France and those in most other countries were isolated persecuted in every degree from niggling regulations to imprisonment and martyrdom and sometimes squeezed into oblivion To these external miseries were added painful internal schisms the Italians abetted by other countries and the Holy See pushed to center the Congregation in Rome interdicts against communication with foreign superiors forced provinces in many countries to act autonomously national pressures to swear loyalty and conform to compromising regulations created splits within the community and threatened to divide the Daughters and separate them from their brothers Reduced membership and funding crippled the Vincentians efforts as they emerged from the worst of the state obstructions Nevertheless they began rebuilding and even made struggling beginnings in overseas missions notably the United States Brazil the Ottoman Empire the Middle East and China where the martyrdom of two missionaries galvanized interest in this distant and challenging mission
