Edited by
JCE Underwood

CHURCHILL LIVINGSTONE

The cover features a series of light blue, semi-transparent illustrations of biological structures. At the top, there are several cells with distinct nuclei and cytoplasm, connected by curved arrows indicating a process or cycle. Below these, there are more complex structures, including what appears to be a large, multi-lobed cell or a cluster of cells, and a large, star-shaped structure with many points, possibly representing a microorganism or a specific tissue component. The background is a solid blue color with a subtle texture.
