Touch Tina Stümpfig, 2020-05-26 A full color step by step guide to the simple two point touch method of Jin Shin Jyutsu for quick relief from many common conditions and injuries Details the 52 energy points of Jin Shin Jyutsu called Safety Energy Locks SELs where energy is most likely to become blocked along the body s energy pathways and where it is also most easily released Explains the sequence of points to hold and the appropriate finger mudras positions to address specific ailments conditions and injuries as well as stimulate the body s self healing response and harmonize energy flow Includes concise yet detailed instructions and clear illustrations of the energy points and sequences A gentle self help method for harmonizing energy flow strengthening the immune system and stimulating the body s self healing response Jin Shin Jyutsu is an ancient

Japanese healing art akin to an easier form of acupressure The system centers on the 52 Safety Energy Locks SELs of the body's energy pathways points where energy tends to become stuck easily and thus can also be released easily usually by holding just two energy points simultaneously In this full color guide to Jin Shin Jyutsu complete with detailed step by step illustrations experienced practitioner Tina Stumpf explains how to hold the SEL points in easy sequences to address specific ailments conditions and injuries She also details a variety of finger mudras finger holds that can serve as shortcuts for bringing awareness to and alleviating a number of issues such as anxiety insomnia digestive problems and back pains The author describes the major overarching energy flows of the body and shows how when a pathway becomes blocked the energy ceases to flow freely and stagnates Initially the channel is only blocked locally though in the long run a blockage creates imbalance along the entire energy pathway and can thus affect the whole body Using Jin Shin Jyutsu to work with the SELs allows you to quickly and easily release these energetic blockages both acute or chronic The polarity of the energy flow in our hands energy flowing out on the right flowing in on the left functions like a starter cable that reestablishes broken energy links At the same time conscious breathing allows us to deepen our cosmic awareness and understanding of issues connected to the SELs on the inner level Whether you are facing allergies exhaustion pain or inflammation the healing touch of Jin Shin Jyutsu offers a simple self help tool that can quickly alleviate and soothe symptoms kickstart the healing process and improve overall health
