Ideal for the pre-clinical years and USMLE candidates. **Medical Sciences at a Glance Practice Workbook** features an introductory section featuring step-by-step guidance on exam technique and papers. Over 390 questions of varying formats and full explanations to the answers. A topic-based structure reflecting vital foundation concepts including anatomy, physiology, pathology, and pharmacology. **Medical Sciences at a Glance Practice Workbook** meets the needs of medical students with a spectrum of educational approaches in mind. Whatever your course type, working through this book will give you the advantage when it comes to basic science exams.

OT Exam Review Manual Karen Sladyk, 2005 Are you a student preparing for the NBCOT exam? Looking for only one study guide to help you prepare for this important day? Wondering what thousands of your peers and fellow students have relied on for their studying needs? The answer is the **OT Exam Review Manual**, now available in a completely updated and revised fourth edition. This invaluable study tool is designed to guide students through the studying process from start to finish. With a redesigned question format to match the NBCOT exam, more questions, and an on-line testing component, this fourth edition is a study guide that inspires critical thinking. Karen Sladyk and her co-authors incorporate domain task and knowledge style questions as a way to prepare students for the pace of the NBCOT exam. This collection of questions enables students to think logically for the answers, not just practice for the exam. The **OT Exam Review Manual Fourth Edition** also includes an on-line testing component. With 350 questions, 150 more than the software included with the previous edition, students are able to maximize their computer testing skills and assist with integrated learning. Covering topics such as study habits, content outlines, fieldwork, and waiting for results, the **OT Exam Review Manual Fourth Edition** is the most current and extensive review on the market for occupational therapy students. Features: Contains 600 questions, 50 more than the previous edition. Redesigned question format to match new NBCOT exam. Includes a new user-friendly on-line testing component incorporating questions from the book. Worksheets, time organizers, and a recommended reading list. **Mosby's**
