### **Fairness in Educational and Psychological Testing: Examining Theoretical, Research, Practice, and Policy**

**Implications of the 2014 Standards** Jessica L. Jonson, Kurt F. Geisinger, 2022-06-01 This book examines scholarship best practice methodologies and examples of policy and practice from various professional fields in education and psychology to illuminate the elevated emphasis on test fairness in the 2014 Standards for Educational and Psychological Testing Together the chapters provide a survey of critical and current issues with a view to broadening and contextualizing the fairness guidelines for different types of tests test takers and testing contexts Researchers and practitioners from school psychology clinical counseling psychology industrial organizational psychology and education will find the content useful in thinking more acutely about fairness in testing in their work The book also has chapters that address implications for policy makers and in some cases the public These discussions are offered as a starting point for future scholarship on the theoretical empirical and applied aspects of fairness in testing particularly given the ever increasing importance of addressing equity in testing

**Foreign Fruit** Katie Goh, 2025-05-06 Named A Best Debut Book of 2025 by Debutiful A sharp sweet memoir of change identity and hybridity I loved it Katherine May author of Wintering Per person oranges are the most consumed fruit in the world Across the world no matter how remote or cold or incongruous a climate is oranges will be there What stories could I unravel from the orange s long ribboning peel What new meanings could I find in its variousness as it moves from east to west and from familiar to foreign What begins as a curiosity into the origins of the orange soon becomes a far reaching odyssey of citrus for Katie Goh Katie follows the complicated history of the orange from east to west and west to east from a luxury item of European kings and Chinese emperors to a modest fruit people take for granted This investigation parallels Katie s powerful search into her own heritage Growing up queer in a Chinese Malaysian Irish household in the north of Ireland Katie felt herself at odds with the culture and politics around her As a teenager Katie visits her ancestral home in Longyan China with her family to better understand her roots but doesn t find the easy digestible answers she hoped for In her mid twenties when her grandmother falls ill she ventures again to the land of her ancestors Malaysia where more questions of self and belonging are raised In her travels and reflections she navigates histories that she wants to understand but has never truly felt a part of Like the story of the orange Katie finds that simple and extractable explanations even about a seemingly simple fruit are impossible The story that unfolds is Katie s incredible endeavor to flesh out these contradictions to unpeel the layers of personhood a reflection on identity through the cipher of the orange Along the way the orange becomes so much more than just a fruit it emerges as a symbol a metaphor and a guide **Foreign Fruit A Personal History of the Orange** is a searching wide ranging seamless weaving of storytelling with research and a meditative deeply moving encounter with the orange and the self

**Educational Assessment in a Changing World** Isabel Nisbet, Stuart Shaw, 2024-10-21 This timely book takes stock of the wide range of developments in society education and assessment and

offers conclusions and strategies that are necessary for the future of educational assessment Drawing on examples from the UK Europe and USA the book will dissect cultural political psychological and ideological ideas on society education and assessment and foreground pressing issues relating to artificial intelligence social justice and climate change Acknowledging its predominantly Western perspective and providing context on the evolution of educational assessment the book will bridge the gap between theory and practice to progress debate and discourse on creating a culture of assessment fit for the future and rethinking strategies for the path ahead Ultimately the book will provide insights and key takeaways for the field of educational assessment along with an evidence based agenda that will be relevant for education professionals the assessment industry and policymakers interested in higher education international and comparative education and testing
