SUCCESS Points

In this book you'll learn how to:

- Create a personal strategic plan
- Simplify your life
- Maximize your use of the 80/20 rule
- Leverage other people's time, money, experiences and talents
- Realize your full potential

Where Is Your Attention?

Sharpening your focus empowers you to make your goals a reality.

QUICK OVERVIEW

Who doesn't want to earn more money, take more time off, enjoy better relationships and live a more fulfilling life? That's a lot for any book to promise, but it's the premise of Brian Tracy's best-selling book *Focal Point*.

Will reading Tracy's book instantly make you more successful? No. But applying what you learn from *Focal Point* every well could. Tracy opens the book with an overview of basic success and time management principles that, though you may have heard them before, are worth revisiting. He offers examples of how those principles work in controlled research settings as well as in real people's lives. He devotes the second half of the book to showing readers how to apply these success strategies to seven key areas of life: business and career, family and personal life, money and investments, health and fitness, personal growth and development, social and community activities, and spiritual development and inner peace. The overall goal is to sharpen the focus of your goals for and attention to each of those areas. That focus and clarity of purpose, he says, will help spur you to achieve the results you desire.

APPLY AND ACHIEVE

Clarity and flexibility are two key aspects of success according to Brian Tracy's *Focal Point*. Throughout the book he encourages the reader to engage in zero-based thinking, a strategy that leans heavily on the question, "Is there anything I am doing right now that, knowing what I now know, I wouldn't get into again if I were starting over today?" If the answer is yes, identify what activities need to be eliminated.

Use that question as a starting point for simplifying your life and maximizing your results. Once you've identified what you should continue doing, apply Tracy's "Five Questions for Superior Performance" to ensure maximum efficiency and effectiveness.

By Videoplus Vo Llnwd:

Glücklich durch das Meistern der 12 spirituellen Gesetze des Universums Henning Karcher, 2018-01-18 Henning Karcher arbeitet über 30 Jahre lang für das Entwicklungsprogramm der Vereinten Nationen mit Langzeitaufenthalten in einigen der schwierigsten und einigen der schmerzlichsten Ländern der Welt: Pakistan, Sudan, Laos, Nordkorea, Nepal und USA. Während er als Leiter von UN-Landesbüros viele in bitterer Armut lebende Familien unterstützen konnte, lassen ihn die großen Fragen des Lebens nicht los: Wer sind wir? Warum sind wir hier? Gibt es spirituelle Gesetze, die genauso gelten wie die Gesetze der Physik? Auf seiner eigenen spirituellen Reise als Suchender auf fünf Kontinenten wird ihm bewusst, dass es solche tatsächlich gibt und dass unser Leben durch das Meistern dieser unweigerlich eine Wendung nimmt hin zum Glück. Dabei geht es vor allem um das Finden des inneren Friedens.
