

# Character Presentation Information

## Overview

We are going to have a character presentation day in our classroom. The purpose of this task is to encourage the children to research and learn and to get excited about reading. I am asking that the children choose a book, then draw up why the character is the best, and come to school. I will call on each student to stand in front of the class and present why they are and what kind they come from. I will expect students to learn into the matter and illustrate of the book too. The students will tell what their favorite part was and why they chose the character. It would be very helpful if the students had the book, mention the class. I will be encouraging the students to speak loud and clear. I will be grading the students on the project. There is a rubric that I will use. Let me know how I can help or if there are any questions.
