First Women of Hollywood Mary Mallory,2025-03-25 Largely created by immigrants the film industry evolved over its first few decades thanks to the work of people outside the traditional ruling class immigrants people of color women partly as a result of elites denigrating the fledgling field As the moving picture industry transitioned from neophyte to powerhouse young and ambitious rebels energized its output Mostly written out of history women provided an important component for popularizing silent film and making it a financial success Women were integral in producing entertaining films to keep up with exploding demand Men often resented their power and success and as the studio system took hold women found themselves out of favor and replaced First Women of Hollywood explores the invaluable contributions of these mostly forgotten and unacknowledged pioneers

Independent Stardom Emily Carman,2015-12-15 During the heyday of Hollywood s studio system stars were carefully cultivated and promoted but at the price of their independence This familiar narrative of Hollywood stardom receives a long overdue shakeup in Emily Carman s new book Far from passive victims of coercive seven year contracts a number of classic Hollywood s best known actresses worked on a freelance basis within the restrictive studio system In leveraging their stardom to play an active role in shaping their careers female stars including Irene Dunne Janet Gaynor Miriam Hopkins Carole Lombard and Barbara Stanwyck challenged Hollywood s patriarchal structure Through extensive original archival research Independent Stardom uncovers this hidden history of women s labor and celebrity in studio era Hollywood Carman weaves a compelling narrative that reveals the risks these women took in deciding to work autonomously Additionally she looks at actresses of color such as Anna May Wong and Lupe V lez whose careers suffered from the enforced independence that resulted from being denied long term studio contracts Tracing the freelance phenomenon among American motion picture talent in the 1930s Independent Stardom rethinks standard histories of Hollywood to recognize female stars as creative artists sophisticated businesswomen and active players in the then as now male dominated film industry
