

Organizational Behavior Case Study Solution

The case study is about a company that is struggling to improve its performance. The company is a large, multi-national organization that is operating in a highly competitive market. The company's performance has been declining over the past few years, and the management is looking for ways to improve it. The case study is divided into two parts. The first part describes the company's current situation, and the second part describes the company's proposed solution.
