Essential Readings in Comparative Politics Patrick H. O'Neil, Ronald Rogowski, 2004-01 **Essential Readings in Comparative Politics, Second Edition** Patrick H. O'Neil, 2007-02-01 **The HISOFE Dictionary of Midnight Politics** Fossungu, Peter Ateh-Afac, 2014-12-01 Building on Fossungu's earlier works and essentially providing Africa with original critical and multi level analyses of the trio of globalization democracy and national determination this book theorizes that African states have to unite in order to have any impact in the global economy Using the failure of the Cameroon Goodwill Association of Montreal CGAM as a case study the book urges Africans to make hard choices and avoid politickerization and midnight politics in favour of fossungupalogy that is the science of straightforwardness necessitating the fearless looking at truth straight in the eye The questions of the book are many but do all boil down to whether or not Africans fear the truth and do not therefore do politics It is amazing that Africans in the West live in societies where fierce political competitors do embrace each other after one has defeated the other but they are incapable of looking their so called friends in the eye and saying for example Man I think you've totally gotten it wrong this time Such comportment defines politickerization or negative competition While attempting some possible responses to the numerous queries it raises this book basically proffers the science of Four Eyesism as a discipline that all African schools need to institute and make a compulsory subject if the vandalized continent would have to be awakened to its realities This book is rich in Fossungu's dazzling capacity to invent define and use a multitude of new terminological constructs informed by African experiences **The Challenge of Politics** Douglas W. Simon, Joseph Romance, 2022-01-04 The Challenge of Politics balances classic political theory with contemporary politics to help students understand the fundamental questions of political science The authors relate insights of classic political thinkers both to their modern counterparts and to the political dynamics of American comparative and international affairs *The Challenge of Politics* Neal Riemer, Douglas W. Simon, Joseph Romance, 2015-12-17 The Challenge of Politics introduces students to the fundamental questions of political science With a distinctive normative approach that portrays politics as a potentially humanizing enterprise authors Neal Riemer Douglas W Simon and Joseph Romance equip readers to recognize major forms of government evaluate research findings and understand how policy issues directly affect people's lives This comprehensive text balances classic and contemporary political theory with current events and empirical study The Fifth Edition is fully revised to reflect recent national and international developments including a new chapter on American Politics and Government **Essentials of Comparative Politics and Essential Readings in Comparative Politics** Patrick H. O'Neil, 2015-07-17 The Essentials of Comparative Politics family provides all of the tools professors need to introduce the study and comparison of political systems A brief conceptual textbook of the core ideas behind comparative politics a complete casebook of thirteen country studies and a comprehensive reader of secondary and primary sources
