

Port State Control in Australia

Reza Vind – Manager, Operations West

Ship Inspection ... What to expect!

Australia prides itself on a firm but fair port State control regime. This should not be something to fear.

When an AMSA inspector attends a vessel they are required to provide the master with a letter spelling out the intent of the PSC prior to the inspection commencing.

This includes a contact that the master or operator can use if they have any concerns about the conduct of the PSC.

Ship Inspection ... What to expect!

Targeting of vessels is based on a prioritisation system.
