essential for you to be able to read between the lines Understanding Body Language provides the proven tips tools and
techniques to give you this ability Body Language Dave Voss,2020-04-28 How we make sure which person is who and
who is being honest or who is lying We need good judgment to figure out who is who in this scenario You might think how
can I do that What is the answer to all those questions And how can I see through the people and their statements Here's just
a tiny fraction of what you'll discover How to develop your perception and intuition to automatically pick up on body
language clues The biggest mistake people make when trying to read people How to instantly spot the most powerful person
in the room The 1 thing to look for to know if someone is intelligent It's not what you think The BIG signs someone is lying to
you Little known speech clues that give you a ton of information about a person's personality and mindset Surefire signals he
or she is romantically interested in you This is different for men and women and much much more Our mind process the
information and that information prints in our memory We discriminate people later on the information we have in our minds
This discrimination can be of any type We judge people very easily and it's a thing we love to do Body Language Marvin
Houston,2019-12-09 If people make their mind about you in a matter of seconds why not understand the body language and
human psychology of those you interact with and persuade them Would you like to know if the person who's talking to you is
telling the truth or not Or even if the girl you're dating likes you Then keep reading Did you know your Body Language can
influence what your boss family friends and strangers think of you Do you sometimes feel socially awkward around new
people because you can't really tell what their gestures are saying What your own gestures are saying When we talk we say
very little because it's our body that does the real talking We express much more subconsciously through our physical
behavior body posture gestures eye movement and facial expressions touch and the use of space Why not learn how to use
this to your advantage This book will help you change your behaviours You will learn what body language signs you should
look for when you want to know whether the person who is talking to you is telling the truth or is trying to con you It will
