Interpersonal Conflict:

Interpersonal Conflict William Wilmot, Joyce Hocker, 2010-01-12 *Interpersonal Conflict* explains the key dynamics of personal conflicts that we all face. Written for courses such as Communication and Conflict Management, Conflict and Negotiation, and Conflict in Personal Relationships, this textbook examines the central principles of effective conflict management in a wide variety of contexts, whether at home or on the job. Its combination of up-to-date research and examples gives students a theoretical and practical foundation in conflict management. **Managing Interpersonal Conflict** William A. Donohue, Robert Kolt, 1992-07 *Managing Interpersonal Conflict* helps readers better understand and ultimately manage their routine interpersonal conflicts. Specifically, the book walks readers through the conflict process from the initial decision of whether or not to confront differences to how to plan the actual confrontation. Donohue deals extensively with the negotiation process and, if negotiation proves unsuccessful, with third-party dispute resolution. The book emphasizes keeping conflicts under control and keeping focused on the issues. The key to managing conflict is to address differences collaboratively so parties can create better solutions and ultimately strengthen their relationships. *Managing Interpersonal Conflict* prepares and encourages the reader to stop avoiding their conflicts and start confronting them. Designed for college and university undergraduates, Donohue's text and the *Interpersonal Communication* series will also interest students and professionals in management studies, sociology, organization studies, and social psychology. They provide a very useful look at a somewhat broader than usual range of conflict issues. Where the decision is to confront, it offers useful approaches to allowing face-saving and to issue structuring that will allow the conflict in many cases to be readily resolved. The second section provides a useful and easily worked-with framework for negotiating and deals most effectively with the use of and responses to the exercise of power in the negotiation context. The book is exceptionally readable and effective in its presentation of approaches to conflict. While it is not a traditional academic text, periodic references to the conflict literature are used to allow the reader to examine the issues presented in more depth. The book will serve as an outstanding text for a training program in conflict management and can also be used by an individual effectively to learn these techniques. **The Alternative Newsletter** *Interpersonal Conflict* Joyce L. Hocker, William W. Wilmot, 1995 *An Introduction to the Theory and Practice of Conflict Management* This text first describes the components and dynamics of interpersonal conflict, then the various strategies for negotiation, bargaining, and resolution. **Communicating Interpersonal Conflict in Close Relationships** Jennifer A. Samp, 2016-09-01 *Communicating Interpersonal Conflict in Close Relationships: Contexts, Challenges, and Opportunities* provides a state-of-the-art review of research on conflict in close personal relationships. This volume brings together both seasoned and new voices in communication research to address the challenges in evaluating conflict. [A Tale Of Two Perspectives](#) Dr. Kenneth R. Norris, 2010-09-09 Siblings will rival Relatives will drop in and stay too long Children will demand to know Why Interpersonal conflict is seldom as intense as two gunslingers glaring at each other from ten paces at High Noon It is seldom as colorful as a red faced husband and wife standing in their kitchen shouting insults It is more often a tale of two perspectives demanding to be heard Conflict is one of those peculiar concepts few people can define without a dictionary but most people know it when they see it We also want it resolved promptly and to our personal satisfaction How should Christians resolve interpersonal conflict Should we simply give in to someone with whom we disagree just to avoid conflict What are the rules when Christians become petty insensitive or argumentative If we love our neighbor as we love ourselves how do we confront conflict without compromising our values The solution is to understand and learn to confront the behavior not the people we love A Tale of Two Perspectives explores the dynamics of

interpersonal conflict from a Christian point of view It blends business conflict resolution strategies with biblical narratives to demonstrate a compelling and innovative point of view Dr Norris uses his background as a pastor chaplain business executive husband and father to embroider his work with contemporary examples that may sound uncomfortably familiar He examines how our communication style personality attitudes emotions frame of reference and spiritual values influence our capacity to resolve conflict effectively Looseleaf for Interpersonal Conflict Keith Berry, William W.
