Jezebel's War With America Michael L. Brown, 2019-08-06 Jezebel died 3 000 years ago But her spirit lives today Jezebel was the most wicked woman in the Bible a powerful seductress who killed the prophets led Israel into idolatry and immorality and emasculated men She was seductive and determined to snuff out the voices coming against her because these voices were calling out for repentance In twenty first century America Jezebel is not a person But it s as if the spirit of Jezebel is alive again today The influence of the same demonic force is being felt in the massive increase of pornography and

sexual temptation the militant spirit of abortion the rise of radical feminism and most importantly in the attempt to silence prophetic voices Just as Jezebel clashed with strong men almost three thousand years ago the demonic spirit of Jezebel is powerful in America and it is going after the church This eye opening book not only unveils the satanic plot to destroy America beginning with an all out assault on the church but it will equip every believer with tools to defeat the enemy in their own personal lives as well as in the nation This book will show you how the spirit of Jezebel is active in America today and teach you how to protect the church OTHER BOOKS BY MICHAEL L BROWN PHD Playing With Holy Fire 2018 ISBN 13 978 1629994987 The Power of Music 2019 ISBN 13 978 1629995953 Breaking the Stronghold of Food 2017 ISBN 13 978 1629990996 *Who Will Be the Next President?* Alexander S. Belenky,2016-11-15 This book is open access under a CC BY 4.0 license This book addresses the peculiarities of the current presidential election system not yet addressed in other publications It argues that any rules for electing a President that may have a chance to replace the current ones should provide an equal representation of states as equal members of the Union and of the nation as a whole This book analyzes the National Popular Vote plan and shows that this plan may violate the Supreme Court decisions on the equality of votes cast in statewide popular elections held to choose state electors That is the National Popular Vote plan may violate the Equal Protection Clause of the Fourteenth Amendment The book proposes a new election system in which the will of the states and the will of the nation as a whole are determined by direct popular elections for President and Vice President in the 50 states and in D C This system a would elect President a candidate who is the choice of both the nation as a whole and of the states as equal members of the Union b would let the current system elect a President only if the nation as a whole and the states as equal members of the Union fail to agree on a common candidate and c would encourage the candidates to campaign nationwide The second edition has been updated to include a proposal on how to make established non major party presidential candidates and independent candidates welcome participants in national televised presidential debates with the major party candidates **Petro/chem Engineer** ,1966 Thomas Register ,2004 Ward's Business Directory of U.S. Private and Public Companies ,1999 This multi volume set is a primary source for basic company and industry information Names addresses SIC code and geographic location of over 135 000 U S companies are included European Directory of Management Consultants 1995 Alex Kaminsky,1994 *U.S. Industrial Directory* ,1989
