How God Has Spoken; Or John Wilson (Montreaux, Switzerland.),1909 **Then Shall That Wicked Be Revealed** Henry Gagne,2014-01-31 The book of Revelation is unlike any other book in scripture filled with symbols and apocalyptic language It has become a magnet for some and confusion for others while still others ignore it altogether There are many today who believe and hold that the book of Revelation is not about the future but rather the past fulfilled with the destruction of the Jewish Temple and city of Jerusalem in 70 A D by the Roman armies While many others hold that the book of Revelation is prophetic and was written for a future time beyond the judgment that fell on the Jewish nation in 70 A D and continues to be debated today between these two Christian camps the Preterists and Futurists It is vital that the people of God are given the truth about prophetic scripture Today it is a fact that false teachers are everywhere in the body of Christ and have all but snuffed out the light of Christ s prophetic truth We of the body of Christ cannot continue to sit on the sidelines and remain silent We must as good soldiers in Christ arise and go forth in battle to defeat our Lord s enemies wherever they may be found As soldiers of Christ we do this with the weapons at our disposal that God gave us the Sword of Christ the Sword of Truth the Holy Scriptures Many times the question has arisen What difference does it make Our response is a proper view of eschatology a study of end of the age times is important because God has revealed his truth to us and it is our responsibility to be diligent students in understanding that truth Disregarding or minimizing any part of it is poor stewardship It is never acceptable to say I could be

wrong but I remain comfortable on my views and don't want to bother with other views. It is a fact today that someone has to be wrong and is teaching error. And it certainly is not the Holy Spirit teaching those errors of scripture in the body of Christ. Therefore if one view is correct the others are wrong. The failure to study this issue and others forces us to hold one position or another that is one's doctrines as a matter of tradition rather than the Inspired Doctrine of Scripture. While a lot of people go to church very few actually know the Bible and take Jesus Christ our Lord seriously. Secular Christianity has been watered down especially in the area of God's Word and its meaning resulting in great division and confusion concerning many passages seen throughout scripture. The New Testament authors did write about prophecy but a good percentage of their prophetic messages dealt with the immediate fate and future of national Israel. Thus when they wrote prophetically they wrote primarily about Israel's last days i.e. end of OC age while writing prophecy about the early Church's end of the age to come for them as we read in Hebrews. So Christ was once offered to bear the sins of many and unto them that look for him shall he appear a second time without sin unto salvation Heb 9:28. The last days are different from the end times. The last days refer to the last days age of Old Covenant Israel as the body of Christ was being brought in during that 40 year transition period. It was to be the last days for national Israel but not for the New Covenant Church its age had just begun because of God's Grace and the Blood of Jesus Christ our Lord brought about for the salvation of mankind. In our day there have come many scoffers both inside and outside of the church saying that the return of Christ is many many years away and others doubt or even deny his coming at all. At present to most in the world they do not appear to be threatened by the return of Christ despite the world's present condition in its moral standing with God. Despite the war in Afghanistan and Iraq as well as the Israeli/Palestinian conflict despite North Korea and Iran's nuclear stance a world economy in a near total collapse many in the secular media procla

Theological Outlines Francis J. Hall, 2004-09-13 This one volume condensation of the author's multi volume Dogmatic Theology series remains a hallmark of Anglican systematic theology. Here Hall's work is presented with helpful clarity and order. Hall's theological program was designed to constitute a connected treatment of the entire range of Catholic Doctrine as it is maintained in the Episcopal Church and the Reformed Catholic Tradition of the Anglican Communion.

Kenosis and Priesthood T. D. Herbert, 2009-02-16 The thesis of this book is that it is possible to re-imagine priesthood so that it becomes a useful way to understand the nature and importance of the ordained ministry but without undervaluing or negating the priesthood of all believers. Such a re-imagining might offer a new way forward in the area of ecumenical debate. In the past the priesthood of the ordained has proved to be thoroughly problematic not least for ecumenical debate. As a result both the Anglican Methodist Reunion Scheme 1968 and the Covenant Proposals 1982 floundered upon the question of orders. Instead of rehearsing the traditional and now rather clichéd arguments by approaching priesthood through an exploration of the kenotic and Trinitarian theologies of Karl Barth, Hans Urs von Balthasar and Jürgen Moltmann and Scriptures notably the Epistle to the Philippians it is possible to develop a new

understanding In this work kenosis is understood as the Trinitarian revelation of God's saving act for humanity Instead of trying to depict priesthood in naively realistic terms but drawing in particular on the critically realistic dialectic of Barth's theology and demonstrating that the Bible presents priesthood dialectically it is possible to argue that the priesthood of the ordained is essentially missionary It is called to represent not simply the presence of God among humanity nor to represent humanity to God but to proclaim God's gracious saving act in Jesus Christ and so call people to respond gratefully by living Christian lives in the face of the world At the Eucharist therefore the priest is not the one who has the specific power to consecrate but the one who leads the congregation in publicly retelling and therefore celebrating God's saving act
