what is Essential as opposed to implicitly granting others the right to make such decisions for us Getting more done in less time isn't the goal of the essentialist approach It's not about accomplishing less It's about completing only the appropriate tasks The fundamental beliefs of we can have it all and I have to do everything are being challenged and they are being replaced with the pursuit of the correct decision in the right way at the right time Instead of allowing others to make decisions for us we should take back control of where we choose to invest our time and energy Disclaimer This is a summary of the book not the original book and contains opinions about the book It is not affiliated in any way with the original author
