Ethics On The Job Cases And Strategies:

Ethics on the Job Raymond S. Pfeiffer, Ralph P. Forsberg, 2004 Make good decisions in the face of an ethical conflict with ETHICS ON THE JOB This philosophy text provides a problem solving method called the RESOLVEDD strategy that can be applied to nearly any ethical conflict in the business world Through numerous case studies and detailed analyses you will learn to implement this strategy and apply it to your own life Ethics on the Job: Cases and Strategies Raymond S. Pfeiffer, Ralph P. Forsberg, 2012-12-13 ETHICS ON THE JOB guides the reader through a step by step analysis to help them make good decisions in the face of ethical conflict With the RESOLVEDD strategy the authors have devised a powerful system for ethical decision making in the workplace which they teach students to implement through timely case studies and detailed analyses Students develop a working grasp of important philosophical principles and their application in ethical conflicts and learn to apply the RESOLVEDD strategy to ethical issues in their own lives A classic text in ethical decision making ETHICS ON THE JOB is widely used in business ethics classes and corporate training programs across the country Important Notice Media content referenced within the product description or the product text may not be available in the ebook version **Ethics on the Job** Raymond S. Pfeiffer, Ralph P. Forsberg, 2000 Using a decision making strategy designed by the authors ETHICS ON THE JOB guides the student through the basic and most important parts of an analysis leading directly to a decision in the face of ethical conflict With the RESOLVEDD strategy the authors have devised an unrivaled system that they teach students to implement through numerous timely case studies and detailed analyses *Successful Writing at Work* Philip C. Kolin, California State University, Northridge, 2009 **Principles and Practices of Case Management in Rehabilitation Counseling** E. Davis Martin, 2007 This second edition is a major revision and update of *Rehabilitation and Disability Psychosocial Case Studies* The role and function of the rehabilitation counselor is described relative to the principles and practices of case management in the vocational rehabilitation process The first chapter describes landmark legislation that has ensured the human and civil rights of persons with disabilities The author relates changes to those of the consumerism movement as persons with disabilities move from passive recipients of services to active participants capable of steering their own future choosing their jobs and environments Assessment as a best practice has expanded from being agency oriented to being person oriented In addition to the use of best practices the author advocates the use of best values to serve as the decision making foundation for the application of best practices Values can be the standards that guide the entire rehabilitation service delivery process including the formulation of objectives the search for alternatives and the choices among them The goal is for the client to realize the American Dream The first two parts of the text provide a person based philosophy and a substantial knowledge base in case management and the thirteen case studies in the third part allow the reader to investigate the use of best practices and best values in case management An outstanding group of contributors was selected to author various chapters Their collective achievements have included

agency executive leadership university professorships and consultative activities at the state national and international levels Each contributor as well has made significant scholarly contributions to the rehabilitation literature While the text was developed primarily for use in graduate rehabilitation counseling programs it has great utility for related academic programs in allied health psychology social sciences and special education The text also has practical value for in service and short term training anywhere that the vocational rehabilitation process can be facilitated from a client centered perspective
