Flight Into Fear:

Flight Into Fear Devi Sharan, Srinjoy Chowdhury, 2000 The Captain's account brings to vivid life the horror of seven days inside the hijacked IC 814 on its way from Kathmandu to Delhi. Nearly 188 passengers and crew were pushed beyond the limits of normal human endurance and forced to confront situations they had never imagined: bloodshed, starvation, and the crippling uncertainty of living under the constant threat of death.

Flight Into Fear Duncan Kyle, 1979 Theology as Hermeneutics John Painter, 2015-01-29 Rudolf Bultmann was the most significant New Testament scholar we have known in the twentieth century. This study approaches his work arguing that his theology can only be understood correctly as an interpretation of the New Testament. Naturally, it is a twentieth-century interpretation involving complex hermeneutical questions. But it is the New Testament which provides the subject matter to be interpreted. Bultmann's theology stems from the conviction that the New Testament addresses the present age, offers important solutions to many problems for Christian theology in our materialistic, relativist, pluralistic age. The book introduces the reader to Bultmann's theology, the problem of contemporary New Testament hermeneutics, the problems of New Testament theology, the question of the relation of New Testament theology to theology as such. It makes a necessary critique of simplistic modes of interpreting Bultmann and shows a masterly hand in assessing his continuing significance.

Shame, Fame, and the Technological Mentality Dustin Peone, 2021-03-15 In *Shame, Fame, and the Technological Mentality*, Dustin Peone interrogates the modern human condition. Peone argues that shame and fear are constitutive of social order, but that these affects have been undermined by contemporary ideology. This subversion has created a novel breed of shameless and fearless human beings with myriad social consequences. Peone next demonstrates an associated change in the role of fame in society, where once the desire for fame was tied to immortality through civic virtue, this connection has eroded and fame is no longer connected to excellence. Finally, Peone analyzes the hegemonic role of technological thinking and its responsibility in accelerating these processes, cautioning against the deification of technology. In response to the technological mentality for navigating the modern world, Peone argues instead for an ethics of prudence and a doctrine of humor.

On Disgust Aurel Kolnai, 2003 Kolnai made a breakthrough in the phenomenology of aversion when he showed the double intentionality of emotions like fear, focusing on both the object of fear and the subject's concern for his own well-being. This being one of the ways in which fear differs from disgust. In a surprising yet persuasive move, Kolnai argues that disgust is never related to inorganic or non-biological matter and that its arousal by moral objects has an underlying similarity with its arousal by organic material, a particular combination of life and death. Kolnai gives an analytic list of various kinds of disgusting objects which should not be read just before lunch and shows how disgust relates to the five senses.

Undefended Daniel Bush, 2017-02-08 Loneliness, fear, vulnerability, conflict, pain—these aren't experiences we typically seek out. And yet we all

encounter them during our lives Do you embrace these times or do you raise your defenses determined not to get hurt What if it s possible to see God more clearly in the midst of these trials In *Undefended* Daniel Bush shows readers how to approach life s difficulties from a gospel centered and grace driven perspective arguing that the experiences we avoid can actually bring us nearer to Christ Drawing on examples from the Bible history popular culture and the author s own life *Undefended* seeks to personally acquaint readers with an experience of the inner heart where true discovery of God takes place Bush writes out of a deep passion for helping others find spiritual awakening stemming from over 15 years in pastoral and counseling ministries He guides readers through ten different experiences that can show us the authentic heart of God if we approach him undefended
