[Secrets To Un-hackable Facebook Account](#) Goodness Kosi, 2020-10-21. Is it wise to secure your Facebook account? Well, this question will attract different answers from different faces. But as for me, my answer will always be yes because I'm using my Facebook account for important businesses than fun. Over the years, the growth rate of cybercrime is alarming. And Facebook platform also receives threats of cybercrime. However, Facebook wouldn't like to lose their global position as the number one social media platform on earth that's why they spend billions of dollars on cyber security each year. But why is it that Facebook accounts still get hacked even when the victim uses a very strong password? Imagine the pain of losing your account to hoodlums. They may sell your account. Use it to commit crime. Paint you black. Or make people who have never met you before to see you as a scam. At worst, hackers can make you pay for crimes you did not commit. We see these things every day. But there are only two simple steps you can take to prevent the loss. 1. Be aware of how Facebook hackers operate. 2. Learn how to jump over any of their traps. The two things above are the major things you will learn from this book. Moreover, it's easy to read and I promise you this: if you practice what you'll learn from this book, your account can never be hacked by any kind of hacker except the fault is from Facebook which is almost impossible to happen. Yes, Facebook is a very secure platform because the company has the world's best cyber security experts and ethical hackers whose job is to report flaws and loops before any other person finds out. That's why the remaining part of securing your Facebook account is your obligation. Research shows that nothing stops hackers once you become a target except you know all their tricks and how to dodge them. So instead of going out there to waste resources and time looking for random knowledge on how to secure your account, this book was created to teach you everything you need to secure your account. The content was highly researched and shows you sophisticated tricks used by hackers and the simple
