## Introduction to Ethics

As the world evolves, you are in the midst of a global ethical landscape that is constantly undergoing all of the traditional dilemmas, issues, or moral dilemmas and technological advances, economic conditions, political uncertainties, and global communication make it difficult for leaders to ignore the important ethical issues in the world and determine their position there, and their work. As you progress and various ethical issues become more challenging, issues and ethical dilemmas, professionals, many professionals have begun to develop an application for traditional philosophies of ethics and the diverse components of ethics.

Ethical dilemmas are not always clearly defined, and people sometimes struggle about what is right and wrong. There is no one and every person is different.
